Practical Theology Spiritual Direction From St Thomas Aquinas:

Practical Theology Peter Kreeft, 2014-11-20 Saint Thomas Aquinas has been admired throughout the ages for his philosophical brilliance and his theological sanity but author and professor Peter Kreeft thinks the practical spiritual wisdom of Aquinas is just as amazing In this book Kreeft brings together 358 useful everyday insights from Aquinas masterpiece the Summa Theologiae He pairs these easily digestible quotes from the Summa with his own delightfully written commentary in order to answer the kinds of questions real people ask their spiritual directors These 358 passages from the Summa have helped Kreeft in his own struggles to grow closer to the Lord His practical personal and livable advice is the fruit of his labors to apply the insights of Aquinas to his own quest for sanctity happiness and union with God **Wisdom and Wonder** Brandon Vogt, 2021-10-26 Few figures have impacted the rising generation of Catholics more than Peter Kreeft the widely respected philosophy professor and prolific bestselling author of over 80 books Through his writings and lectures Kreeft has shaped the minds and hearts of thousands of young apologists evangelists teachers parents and scholars This collection of eighteen essays mainly by millennial Catholic leaders and converts to the Catholic faith celebrates Kreeft s significant legacy and impact his most important books and the many ways he has imparted to others those two seminal gifts wisdom and wonder Among the eighteen contributors to this book are Brandon Vogt Trent Horn Tyler Blanski Dr Douglas Beaumont JonMarc Grodi Jackie Angel Matthew Warner Rachel Bulman Fr Blake Britton and others **De Sortibus** Thomas Aquinas, 2021-01-13 This book makes De Sortibus Thomas Aquinas s letter to a friend on the casting of lots available in clear English for the first time The letter was written around 1270 and was prompted by the question of whether lots could be used to seek God s will in the appointment of a bishop We ve all tossed a coin or pulled straws to see who goes first or opened the Bible to see if we could resolve an issue with a message from God These are the kinds of things that Aquinas talks about to show us when casting lots is a good idea and when it s just superstition The translation is accompanied by an introduction that sets the letter in its historical context a brief overview of the life of Thomas Aquinas and eight short essays that shine light from different angles onto this delightful work This letter serves as a great gateway into the thought and method of one of the world s greatest thinkers *The Direction of Desire* Mark Gerard Murphy, 2023-09-25 This book examines Lacanian psychoanalysis and Christian mystical theology demonstrating the former s potential for reinvigorating spiritual direction The author outlines how current methods of spiritual direction become saturated with self help psycho pop methodologies and that desire has therefore been foreclosed in these practices He suggests that the root of this is a focus on positive affective experientialism which means spiritual direction must focus on emotional wholeness healing and positivity Finally he argues that a new dialogue between John of the Cross a mystic whose writings on spiritual direction formulate part of the core of the Catholic spiritual tradition and Jacques Lacan can open the way for a spiritual direction beyond the confines of experientialism The book concludes that we can only escape the experiential commodification of spiritual direction by

critiquing the drive to experience in and of itself This novel work will appeal in particular to students and scholars of psychoanalysis religion philosophy and critical theory **Welcome as a Way of Life** Benjamin S. Spiritual Formation in Local Faith Communities Neil Pembroke, Ewan Kelly, Theo Pleizier, William S. Schmidt, Jan-Albert van den Berg, 2022-03-31 Spiritual formation in our local churches is too often poorly done or it is virtually nonexistent We developed this innovative approach to spiritual formation in the congregation because it is desperately needed The prompt cards are used to spark deep reflection and shape potentially life transforming conversations with a pastor around spiritual practices spiritual character personal and social ethics and emotional well being The model was trialed in five countries We heard time and time again how the six week process fired a passion to go deeper with Christ Some reported praying regularly for the first time in decades Others found the Scriptures coming alive after years of going through the motions In this book the authors present a simple but powerful method and offer in depth theological reflection on related issues Some of the important areas covered are early church approaches to spiritual formation contemporary spiritual practices spiritual character the indissoluble link between spirituality and moral virtue the spirituality of the pastor and the positive psychology approach

Staritsa Donald A. Guglielmi, 2017-12-07 The present book is the first work to highlight Catherine Doherty's vocation to spiritual motherhood Drawing upon primary archival sources the author traces Catherine's development as a staritsa or spiritual mother in the Russian Eastern tradition Of particular interest are the chapters dealing with Catherine's exercise of spiritual motherhood for priests and laity alike Previously unpublished letters of spiritual direction between Catherine and her major spiritual directors offer the reader a privileged glimpse into the soul of this servant of God and her spiritual children as she grows in her vocation as staritsa For example in one striking letter Catherine describes how she guided a disillusioned young priest who was struggling with a drinking problem and temptations involving young women and was bordering on despair With clenched teeth I sailed into him first gently almost caressingly calling him back to Christ he once loved then more sternly then quietly He left full of thanks and some hope
