

JERRY GINSBERG

ENGINEERING DYNAMICS

The background of the cover features a technical illustration of various mechanical systems. At the top, there is a diagram of a multi-link mechanism with joints and a spring. Below this, a large, detailed drawing of a helicopter rotor hub is shown. At the bottom, there are two more diagrams: one of a mechanical linkage and another of a component that looks like a valve or a piston. The entire illustration is rendered in a technical, line-art style with some shading to indicate three-dimensional forms.
