To unlock the screen:

- When the screen is locked, briefly press the **ON/OFF** key.

Starting your phone for the first time

The first time you start your phone, a setup wizard helps you enter essential phone settings. Follow the steps to select your language, import your SIM contacts, and set the time and date, respectively. If you prefer, you can skip some steps and access the setup wizard later from the phone settings menu.

To set the phone's language:

1. When you start your phone for the first time, a list of languages appears. Scroll through the list and select your language.
2. Tap **Done**.

To import contacts from a SIM card:

- When you start your phone for the first time with a SIM card inserted, the setup wizard prompts you to import your SIM contacts. Tap **Import contacts**.
- When you copy contacts between two phones using your SIM card, the amount and the type of information you can transfer for each contact is limited. To get more help on how to copy contacts between two phones, go to www.sonyericsson.com/support.
