How to Be the Best Third Wheel Loridee De Villa,2022-05-03 It s the last year of highschool and everything has changed After a summer spent in the Philippines with her family Lara Dela Cruz is eager to start her senior year and most importantly reunite with her three besties Carol Jasmine and Kiera Of course summer is the season of change

and Lara knew she'd have to get caught up on the major updates, hot gossip and other shenanigans she may have missed. But what she did not expect was to show up on the first day of school to all three of her friends now in relationships. The mushy public displays of affection and lunches spent gushing about their new boyfriends has Lara quickly realizing her last year of high school is nothing like she imagined. Since she's been back, Lara's long-time frenemy James has become impossibly annoying. Sure, they are now both third wheels, but why is he asking her to tutor him in classes? And why, after they start spending more time together, does she begin to notice how cute he looks when he smiles? Uh oh. Fighting for the attention of her best friends, catching some pretty new and confusing feelings for James and wading through the pressures post-high school plans all have Lara reeling. And to make matters worse, Lara's beautiful and untrustworthy cousin conveniently appears and wiggles her way right between her and James' budding relationship. Feeling like a third wheel in more ways than one, Lara must learn to accept that change is inevitable, love is complicated, and being the odd one out is sometimes where inner power is found.
