

To contact your PowerMax, dial the telephone number used by your system. Let it ring twice, then hang up. Wait at least 32 seconds but no more than 40 seconds, then call your PowerMax back. This time PowerMax will intercept your call. You will hear a click on the line, the ringing will stop a short signal will sound for 10 seconds. You may now issue any available command. If you wait longer than 45 seconds without keying in anything, the PowerMax will disconnect.

Once you have established communications with PowerMax from a remote telephone, you may initiate a conversation with a person left within the premises by keying in:

The system starts to function in "LISTEN-TO ME" mode. This mode allows you to listen to sounds within the premises. If you wish to initiate a two-way communication you must switch from Listen-to Me-Speak-Our manual. This means that only one party may talk at a time. It's recommended to finish sentences with "go ahead" or "over" to make the switch easier.
