Ppe Paper 1 March 2015 Foundation:

Philosophy, Politics, and Austrian Economics Daniel J. D'Amico, Adam G. Martin, 2020-10-29 Philosophy Politics and Economics as an interdisciplinary endeavour has surged in popularity in recent years Work in this field usually draws on standard microeconomics to grapple with questions from political philosophy But what might Austrian economics which provides an alternative approach have to offer to this endeavour

Getting to Zero Sinead Walsh, Oliver Johnson, 2018-07-15 In 2014 a 28 year old British doctor found himself co running the Ebola isolation unit in Sierra Leone s main hospital after the doctor in charge had been killed by the virus Completely overwhelmed and wrapped in stifling protective suits he and his team took it in turns to provide care to patients while removing dead bodies from the ward Against all odds he battled to keep the hospital open as the queue of sick and dying patients grew every day Only a few miles down the road the Irish Ambassador and Head of Irish Aid worked relentlessly to rapidly scale up the international response At a time when entire districts had been quarantined she travelled around the country and met with UN agencies the President and senior ministers so as to be better placed in alerting the world to the catastrophe unfolding in front of her In this blow by blow account Walsh and Johnson expose the often shocking shortcomings of the humanitarian response to the outbreak both locally and internationally and call our attention to the immense courage of those who put their lives on the line every day to contain the disease Theirs is the definitive account of the fight against an epidemic that shook the world

Emergency Care and Transportation of the Sick and Injured Advantage Package American Academy of Orthopaedic Surgeons (AAOS), 2021-02-12 Since 1971 Emergency Care and Transportation of the Sick and Injured has advanced how EMS education is delivered to help train exceptional EMS professionals around the globe

From Crisis to Catastrophe Mignon Duffy, Amy Armenia, Kim Price-Glynn, 2023-05-12 The COVID pandemic has shaken the material and social foundations of the world more than any event in recent history and has highlighted and exacerbated a longstanding crisis of care While these challenges may be freshly visible to the public they are not new Over the last three decades a growing body of care scholarship has documented the inadequacy of the social organization of care around the world and the effect of the devaluation of care on workers families and communities In this volume a diverse group of care scholars bring their expertise to bear on this recent crisis In doing so they consider the ways in which the existing social organization of care in different countries around the globe amplified or mitigated the impact of COVID They also explore the global pandemic s impact on the conditions of care and its role in exacerbating deeply rooted gender race migration disability and other forms of inequality

Managing Federalism through Pandemic Kathy L. Brock, Geoffrey Hale, 2023-11-07 Managing Federalism through Pandemic summarizes and analyses multiple policy dimensions of Canada's response to the COVID 19 pandemic and related policy issues from the perspective of Canadian federalism Contributors address the relative effectiveness of intergovernmental cooperation at the summit level and in policy fields including emergency management public health national security Indigenous Peoples and governments border governance crisis communications fiscal federalism income security policies CERB supply chain resilience and interacting energy and climate policies Despite serious policy failures of individual governments repeated fluctuations in the overall effectiveness of pandemic management and growing public frustration across provinces and regions contributors show how processes for intergovernmental cooperation adapted reasonably well to the pandemic's unprecedented stresses particularly at the outset The book concludes that despite individual policy failures Canada's decentralized approach to policy management often enabled regional adaptation to varied

conditions helped to contain serious policy failures and contributed to various degrees of policy learning across governments Managing Federalism through Pandemic reveals how the pandemic exposed structural policy weaknesses which transcend federalism but have significant implications for how governments work together or don't to promote the well being of citizens

The Pandemic in Britain Sean Creaven,2023-06-09 This book offers a political analysis and sociological critique of the UK government's response to the novel coronavirus outbreak interpreting the inadequacies of government policy with regard to COVID 19 as the results of neoliberal ideology the protection of corporate interests Brexit nationalism and the peculiarities of a British model of capitalism based on international trade and labour market precarity Arguing that institutionalized corporate capitalist control of state and science generates new and growing public health risks and that consumer driven individualism has eroded community life and the protections this might offer against pandemics the author contends that the UK government's catastrophic response to the COVID 19 pandemic was the result of peculiarly British socioeconomic and political phenomena The Pandemic in Britain will appeal to scholars of sociology philosophy and politics with interests in the COVID 19 pandemic as well as neoliberal ideology and its manifestation in political life *Understanding ocean ridges, a new frontier for science and development* Philip Weaver,David Billett,Pei-Yuan Qian,Jozee Sarrazin,2023-06-30

Black Climates Selina Nwulu,2025-08-28 To want to save the planet a person has to have a sense of belonging in it What would a saved planet look like for a Black collective This book is validating and monumental Courttia Newland Sensitive powerful and necessary Joycelyn Longdon Globally Black people are among the most affected by the climate crisis despite contributing very little to it For a long time the crisis was portrayed as yet another injustice for Black people to care about on top of the day to day oppression they face In Black Climates Selina Nwulu reframes the crisis to encompass our disconnection from each other and the world around us She argues that the root of climate change lies in historical colonial violence and ongoing exploitation making it inherently racist Nwulu former Young People's Laureate for London uses her poetic and skilful voice to directly address Black British readers who have been previously ignored in mainstream environmental conversations She includes interviews with a wide range of creatives and campaigners to explore a variety of subjects including air pollution prison ecology disability justice migration food nature community care and radical imagination This is an essential and empowering read for anyone who wants to fully understand the connections between Blackness and the climate crisis providing the tools to envisage more equitable futures
