This document provides the component and overall grade boundaries for IB Diploma Programme courses with more than 100 candidates in May 2015. While compiling this document I have taken great care to ensure that the information reproduced here from IBIS is accurate, if there is any discrepancy between a boundary published here and that displayed on IBIS, the boundary displayed on IBIS is definitive. I would be grateful if you drew any error to my attention. In future I want to make a report available to you on IBIS that will enable you to view the boundaries pertinent to your candidates, but in the meantime I hope that you find this compilation helpful.
