

An opinion essay

I can write an essay suggesting how to spend €1 million.

Preparation

1 Read the task and the essay. Are the sentences true (T) or false (F)?

- 1 Sarah wants a sound system because she hasn't got anything for listening to music. ☐
- 2 Her brother loves football. ☐
- 3 She'd give money to an organisation that helps homeless people. ☐
- 4 She'd spend most of the money. ☐

If you won €1 million in the lottery, what would you do with it? Write an essay and include your ideas. Give reasons for your choices.

If I won €1 million, there are a lot of things I would like to do with the money. It would be nice to buy myself something, but it would also be good to help others.

First of all, I would buy myself a docking station with fantastic speakers. Although I have got an MP3 player and some speakers, they are not very good.

Secondly, I would buy a new car for my mum. Her car is really old. I would buy my brother a Liverpool kit and a scarf. He is a really big Liverpool fan!

Thirdly, there are a lot of homeless people in my city. I would donate money to the local hostel. If I gave them €5,000, they could buy a lot of meals for homeless people.

Finally, I would save at least half of the money. In my opinion, it would be silly to spend it all now. What is more, if I invested the money, it would grow, and I would have more to spend in the future.

To sum up, I would buy something nice for myself and other members of my family, support local charities, and also save some money for the future.

Writing Strategy

In your writing, avoid starting too many sentences with the same words. Remember that you can:

- use a variety of phrases for introducing opinions (*It seems to me ...*, *In my opinion ...*, etc.) and for making additional points (*Moreover ...*, *Furthermore ...*, etc.)
- start conditional sentences with the *if* clause or the main clause.
- use concession clauses (*although ...*, *even though ...*) at the beginning or end of a sentence.

2 Read the Writing Strategy. Then underline the following in the essay:

- 1 one concession clause (starting with *Even though*, *although*, etc.).
- 2 three second conditional sentences (with an *if* clause and a main clause).
- 3 one phrase for introducing an opinion.
- 4 four phrases for listing four points.
- 5 one phrase for introducing an additional point.

3 Read the task in exercise 1 again. Make notes for your answer.

Introduction: _____

First idea: _____

Reasons: _____

Second idea: _____

Reasons: _____

Third idea: _____

Reasons: _____

Fourth idea: _____

Reasons: _____

Conclusion: _____

Writing Guide

4 Use your notes from exercise 3 to write an essay. Include an introduction and a conclusion.

CHECK YOUR WORK

Have you ...

- ☐ used a variety of different ways to begin sentences?
- ☐ checked your spelling and grammar?
