Books in Print Supplement ,2002 Prince of the Press Joshua Teplitsky,2019-01-22 The story of one of the largest collections of Jewish books and the man who used his collection to cultivate power prestige and political influence David Oppenheim 1664 1736 chief rabbi of Prague in the early eighteenth century built an unparalleled collection of Jewish books all of which have survived and are housed in the Bodleian Library of Oxford His remarkable collection testifies to the myriad connections Jews maintained with each other across political borders Oppenheim s world reached the great courts of European nobility and his family ties brought him into networks of power prestige and opportunity that extended from Amsterdam to the Ottoman Empire His impressive library functioned as a unique source of personal authority that gained him fame throughout Jewish society and beyond His story brings together culture commerce and politics all filtered through this extraordinary collection Based on the careful reconstruction of an archive that is still visited by scholars today Joshua Teplitsky s book offers a window into the social life of books in early modern Europe *Subject Guide to Books in Print* ,1993 Handbook of Applied Behavior Analysis Interventions for Autism Justin B. Leaf,Joseph H. Cihon,Julia L. Ferguson,Mary Jane Weiss,2022-05-06 This handbook addresses evidence based practices in Applied Behavior Analysis ABA for individuals diagnosed with autism spectrum disorder ASD It provides an overview of the history of evidence based practices and their importance as applied to the law school settings and factors that influence the use for treatment of ASD Additional areas of coverage include evidence based and non evidence based ABA interventions for autism as well as decision making ethics related to these treatments In addition the book addresses cultural considerations as they relate to these treatments and examines procedural aspects of ABA interventions for autism Key ABA treatments addressed include Discrete trial teaching Pivotal response training Video modeling Parent mediated intervention Early Start Denver Model PEAK PECS and AAC Script fading activity schedules and differential reinforcement extinction Response interruption and redirection Self management and self monitoring The Handbook of Applied Behavior Analysis Interventions for Autism is a must have resource for researchers professors and graduate students as well as clinicians therapists and other professionals across such interrelated disciplines as clinical child school and developmental psychology child and adolescent psychiatry social work rehabilitation medicine therapy pediatrics and special education **Uprooted Minds** Nancy Caro Hollander,2023-02-14 In the second edition of Uprooted Minds Hollander offers a unique social psychoanalytic exploration of our increasingly destabilized political environment augmented by her research into the previously untold history of

psychoanalytic engagement in the challenging social issues of our times Often akin to a political thriller Hollander's social psychoanalytic analysis of the devastating effects of group trauma is illuminated through testimonials by U S and South American psychoanalysts who have survived the vicissitudes of their countries authoritarian political regimes and destabilizing economic crises Hollander encourages reflections about our experience as social psychological subjects through her elaboration of the reciprocal impact of social power hegemonic ideology large group dynamics and unconscious processes Her epilogue written a decade after the first edition of *Uprooted Minds* extends its themes to the present period arguing for a decolonial psychoanalysis that addresses coloniality and white supremacy as the latent forces responsible for our deepening political crises and environmental catastrophe She shows how the progressive psychoanalytic activism she depicts in the book that was on the margins of the profession has in the last decade moved increasingly to the centre of psychoanalytic theory and praxis This book will prove essential for those at work or interested in the fields of psychoanalysis politics economics globalization and history

The Chemical News ,1860 **Chemical News** ,1860 **The Publishers' Trade List Annual** ,1985 **From Coexistence to Conquest** Victor Kattan,2009-06-20 This book shows how the Arab Israeli conflict developed by looking beyond the legality argument to the men behind the policies It argues that Zionism was adopted by the British Government in its 1917 Balfour Declaration primarily as a way to control immigration The book places the violent reaction of the Palestinians to mass Jewish immigration in the context of Zionism and revisits the controversies over the question of self determination and the partition of Palestine Arguing that Israel was created through an act of conquest and subjugation the book concludes with a sobering analysis of the conflict arguing that neither Jews nor Arabs were to blame for starting it

Oppenheim's International Law: United Nations Rosalyn Higgins,Philippa Webb,Dapo Akande,Sandesh Sivakumaran,James Sloan,2018-12-13 The United Nations whose specialized agencies were the subject of an Appendix to the 1958 edition of Oppenheim's *International Law* Peace has expanded beyond all recognition since its founding in 1945 This volume represents a study that is entirely new but prepared in the way that has become so familiar over succeeding editions of Oppenheim An authoritative and comprehensive study of the United Nations legal practice this volume covers the formal structures of the UN as it has expanded over the years and all that this complex organization does All substantive issues are addressed in separate sections including among others the responsibilities of the UN financing immunities human rights preventing armed conflicts and peacekeeping and judicial matters In examining the evolving structures and ever expanding work of the United Nations this volume follows the long held tradition of Oppenheim by presenting facts uncoloured by personal opinion in a succinct text that also offers in the footnotes a wealth of information and ideas to be explored It is book that while making all necessary reference to the Charter the Statute of the International Court of Justice and other legal instruments tells of the realities of the legal issues as they arise in the day to day practice of the United Nations Missions to the UN Ministries of Foreign Affairs practitioners of international law academics and students

will all find this book to be vital in their understanding of the workings of the legal practice of the UN Research for this publication was made possible by The Balzan Prize which was awarded to Rosalyn Higgins in 2007 by the International Balzan Foundation
