"I know Brad, but all my girlfriends had plans! Tom said he'd only go out with me if I could find a date for his cousin that's visiting, you're totally a life saver!"

"Come on, there is no way anyone is gonna think I'm a girl in this get-up!"

"Wanna bet? I sent that selfie you took when you thought I wasn't looking to Tom, he said is cousin was practically drooling over you."

"Becky! Seriously!? How could you... did you say drooling? Over me? But what if he starts getting handsy and finds out?"

\*giggles\* "Oh big brother, that one's easy just tell him you're on your period that'll keep his hands above your belt, you can always make out with him then, or you do have another opening he can use too."

**When The Opposite Sex Isn't** Sandra L. Samons, 2012-10-12 When there is uncertainty about the gender identity or

social gender role of an individual determining exactly who the opposite sex is can be a complicated question for both the transgender person and for those who seek to relate to her. Written in both an enlightened and a reader friendly style interspersed with vignettes *When the Opposite Sex Isn't* offers a combination of insights and common sense understanding of the diversity of the human condition together with concepts of gender and sexuality that expand the horizons of any mental health professional regardless of the clinical focus of his or her work. Samons challenges concepts once taken for granted thus providing stimulus for creative thinking which many lay readers will also find interesting and entertaining whether or not they are thus far acquainted with a transgender person. **Alice Guy Blaché** Alison McMahan, 2014-08-22

**Alice Guy Blaché** 1873-1968 the world's first woman filmmaker was one of the key figures in the development of narrative film. From 1896 to 1920 she directed 400 films including over 100 synchronized sound films produced hundreds more and was the first and so far the only woman to own and run her own studio plant The Solax Studio in Fort Lee NJ 1910-1914. However her role in film history was completely forgotten until her own memoirs were published in 1976. This new book tells her life story and fills in many gaps left by the memoirs. Guy Blaché's life and career mirrored momentous changes in the film industry and the long time span and sheer volume of her output makes her films a fertile territory for the application of new theories of cinema history the development of film narrative and feminist film theory. The book provides a close analysis of the one hundred Guy Blaché films that survive and in the process rewrites early cinema history. Lost Leaves Rebecca L.

Copeland, 2000-06-01 Most Japanese literary historians have suggested that the Meiji Period 1868-1912 was devoid of women writers but for the brilliant exception of Higuchi Ichiyo 1872-1896. Rebecca Copeland challenges this claim by examining in detail the lives and literary careers of three of Ichiyo's peers each representative of the diversity and ingenuity of the period: Miyake Kaho 1868-1944, Wakamatsu Shizuko 1864-1896 and Shimizu Shikin 1868-1933. In a carefully researched introduction Copeland establishes the context for the development of female literary expression. She follows this with chapters on each of the women under consideration. Miyake Kaho often regarded as the first woman writer of modern Japan offers readers a vision of the female vitality that is often overlooked when discussing the Meiji era. Wakamatsu Shizuko the most prominent female translator of her time had a direct impact on the development of a modern written language for Japanese prose fiction. Shimizu Shikin reminds readers of the struggle women endured in their efforts to balance their creative interests with their social roles. Interspersed throughout are excerpts from works under discussion most never before translated offering an invaluable window into this forgotten world of women's writing.
