

THE BASICS

40 to 60 minutes

Read van Gogh's bio to your students and talk about The Starry Night. Have a discussion about Vincent van Gogh and how he used stylized lines, bright colours and big brush strokes to create mood in his paintings.

Look at The Starry Night and talk about how and where it was painted.

Have students think about a real or imagined landscape from their past or present, keeping their local surroundings in mind.

Tell them that they will be painting their own version of The Starry Night.

WHAT YOU NEED:

- White sulphite paper (50lb) or poster paper. The size depends on the time available. I like using 12" x 18". Use a smaller size for younger students, or when you are short on time. (I like Blick or Tru Ray sulphite)
- Liquid tempera paints (I love Prang)
- Paintbrushes (flat edge nylon or taklon, small and medium size)
- Painting mats (large sheets of poster board) OR water and containers (see next page for details)
- Scrap paper and pencils
- Glitter glue or glue (optional)
- Paper towels
- Books about Van Gogh
- Painting study guide
- Van Gogh Resource Pack

BOOKS!

Nothing beats a great storybook about a famous artist. There are a LOT of books about van Gogh, but these are my favourites for teaching children about The Starry Night: Vincent Can't Sleep, by Barb Rosenstock; Katie and the Starry Night, by James Mayhew; Vincent's Colors, by Vincent van Gogh; Art with Mom & Dad - Van Gogh, video <https://youtu.be/9GIErmLLxw0>

Preschool Lesson Plan For Starry Night
