the chance to visit my best friend both to sort out my own feelings and escape from Robbie's increasingly controlling behavior. Never could I have imagined how this quick trip and an innocent night of freedom could have spiraled out of control. Meeting Nathan wasn't supposed to happen and I definitely wasn't supposed to kiss him. But he was so kind and sexy and it was so nice to feel wanted for once. But as soon as I came to my senses and ran from our kiss, I bumped into the one person I never expected. My trip away is now a harbor of secrets created by those close to me and my new found taste for freedom. Nathan. When I saw Julia watching me at the bar, I felt something I hadn't felt in years. When I kissed her, I knew she was meant to be mine. But this Robbie guy she was with, he seemed to have some pull over her, something I couldn't understand. I hated how he treated her and I knew she deserved better. So when she offered me the time she had left, I decided to take it, showing her the side of freedom she only dreamed of. Our connection, our chemistry, it was undeniable. I wanted her to leave Robbie. I wanted her to be with me. But when it came down to it, what I really wanted was for her to be happy. But could I keep her close while keeping my demons at bay? The things I've done, the person I once was, and all my little secrets, I'll fight to keep her home to make her mine, even if it takes a little naughty convincing. *The Lure Of Secretos* J.R.

He begins to notice the seams of his once picture-perfect secretive life beginning to unravel. The unraveling plunges Donald into the epic battle of his life for his life. Are the mind-boggling events that Donald is witnessing happening only on the screen of his mind, or are they actual events being orchestrated by a heartless messenger of hell?
