Kaljundi, Eneken Laanes, Ilona Pikkanen, 2015-05-13 This volume addresses the prominent and in many ways highly similar role that historical fiction has played in the formation of the two neighbouring young nations Finland and Estonia It gives a multi sided overview of the function of the historical novel during different periods of Finnish and Estonian history from the 1800s until the present day and it provides detailed close readings of selected authors and literary trends in their social political and cultural contexts This book addresses nineteenth century fictional foundations historical fiction of the new nation states in the interwar period as well as post Second World War Soviet Estonian novels and modern historiographic metafiction *What America Read* Gordon Hutner, 2009-11-05 Despite the vigorous study of modern American fiction today

s readers are only familiar with a partial shelf of a vast library Gordon Hutner describes the distorted canonized history of the twentieth century American novel as a record of modern classics insufficiently appreciated in their day but recuperated by scholars in order to shape the grand tradition of Hemingway Fitzgerald and Faulkner In presenting literary history this way Hutner argues scholars have forgotten a rich treasury of realist novels that recount the story of the American middle class s confrontation with modernity Reading these novels now offers an extraordinary opportunity to witness debates about what kind of nation America would become and what place its newly dominant middle class would have and Hutner suggests should also lead us to wonder how our own contemporary novels will be remembered **German Literature** Wolfgang

Unseasonable Youth Joshua Esty, 2012 The bildungsroman with its elegant arc charting a protagonist's progression from childhood to maturity is one of literature's most familiar and enduring genres Yet in the late nineteenth and early twentieth centuries a series of novels appeared that began to upend this classical formula Rather than moving smoothly into adulthood the characters in these new coming of age fictions seemed to veer off course into a state of suspended or stunted adolescence Modernist era novels of unseasonable youth disrupt the inherited conventions of the bildungsroman in order to criticize bourgeois values and to reinvent the biographical plot but also to explore the contradictions inherent in developmental discourses of self nation and empire Narratives of world progress run up against stubborn developmental obstacles just at the same moment that post Darwinian racial sciences and Freudian sexological theories were lending influence to the idea that some forms of human difference cannot be mitigated by civilizing forces In this context the modernist bildungsroman can be seen as narrating the gradual displacement of historical progressive thinking by anthropological structural thinking in the Age of Empire Jed Esty follows this fascinating line of argument through analysis of novels by Kipling Wilde Conrad Joyce Woolf Rhys and others to reveal how intertwined tropes of frozen youth and uneven development as motifs of failed progress play a crucial role in the emergence of dilatory modernist style and in the re imagination of colonial space at the fin de siècle

Postcolonial Modernism and the Picaresque Novel Jens Elze, 2017-09-28 This book is about the contemporary picaresque novel Despite its popularity the picaresque unlike the bildungsroman is still an undertheorized genre especially for the context of postcolonial literatures This study considers the picaresque novel s traditional focus on poverty and deprivation and argues that its postcolonial versions urge us to conceive of as a more wide ranging sense of precarity and precariousness Non linear biography episodic style protean identities unreliable narratives and abject landscapes are the social and formal aspects through which this precarity is thematized and performed A concise analysis of these concepts and phenomena in the picaresque provides the structure for this book What is especially significant in comparison to other forms of postcolonial post modernism is that the picaresque does not offer a general critique of a project of modernity but through its persistent precarity points to the paradoxical logics of capitalism which are especially nuanced under the conditions of neo imperialism and neoliberalism The book features texts by established postcolonial authors such as Salman Rushdie and V S Naipaul but especially focuses on the more recent proliferation of the genre in works by Aravind Adiga Mohsin Hamid and Indra Sinha

The Indian English Novel Priyamvada Gopal, 2009 The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English It is often claimed that unlike the British novel or the novel in indigenous Indian languages Anglophone fiction in India has no genealogy of its own Interrogating this received idea Priyamvada Gopal shows how the English language or Anglophone Indian novel is a heterogeneous body of fiction in which certain dominant trends and recurrent themes are nevertheless discernible It is a genre that has been distinguished from its inception by a preoccupation with both history and nation as these come together to shape what scholars have termed the idea of India Structured around themes such as Gandhi and Fiction The Bombay Novel and The Novel of Partition this study traces lines of influence across significant literary works and situates individual writers and

texts in their historical context Its emergence out of the colonial encounter and nation formation has impelled the Anglophone novel to return repeatedly to the question What is India In the most significant works of Anglophone fiction India emerges not just as a theme but as a point of debate reflection and contestation Writers whose works are considered in their context include Rabindranath Tagore Mulk Raj Anand RK Narayan Salman Rushdie Nayantara Sahgal Amitav Ghosh Arundhati Roy and Vikram Seth
