feel the journey within one mind take the time to ponder all the thoughts and feelings felt within one sun and the mood of this life and how it can lift you higher and take you down when you lose the focus of the road that lies ahead and people who move like ghosts within your trail Knowing one day you will unite the Sun and the Moon and find a distant peace within your heart This may take time and Journey will have many falls But the road is just a reflection within the memories of our minds

**Calm in the Chaos** K. K. Hodge, 2023-02-03 During the peak of the COVID 19 pandemic there seemed to be turmoil and chaos everywhere I looked We were surrounded by illness death loss of jobs business closures political debacles and just for fun a couple of hurricanes and tornadoes Life was quite chaotic I began writing words of encouragement for myself and soon began sharing them on my blog page Each morning I would settle in at my huge kitchen table or out on my back deck and I prayed Give me a word Lord Every day God gave me a topical word and from that a devotional flowed from my keyboard The words were truly God inspired My sister and my husband challenged me to continue writing for 365 days and I accepted the challenge I thought I would run out of words but oh no not this wordy girl God designed this old girl and He gave me the gift of gab Through daily Bible reading research and writing of these devotionals I have grown closer in my walk with Christ and my good good God calmed the chaos in my heart day after day I pray that you too will find solace in these words May you find calm in the chaos of life

**Diasporic Africa** Michael A. Gomez, 2006 Diasporic Africa presents the most recent research on the history and experiences of people of African descent outside of the African continent By incorporating Europe and North Africa as well as North America Latin America and the Caribbean this reader shifts the discourse on the African diaspora away from its focus solely on the Americas underscoring the fact that much of the movement of people of African descent took place in Old World contexts This broader view allows for a more comprehensive approach to the study of the African diaspora The volume provides an overview of African diaspora studies and features as a major concern a rigorous interrogation of identity Other primary themes include contributions to western civilization from religion music and sports to agricultural production and medicine as well as the way in which our understanding of the African diaspora fits into larger studies of transnational phenomena
