Covering both light and heavy motor vehicles and motorcycles, each chapter discusses the knowledge and skills expected of you. The learner's section explains the K53 Defensive Driving principles, road signs, and the rules of the road, with questions and detailed answers to test your knowledge. At the end of this section, there is a test similar to that compiled by traffic departments. The driver's section explains how candidates are tested and what examiners look out for, with step-by-step instructions on how to perform every manoeuvre in both the yard and road tests. With detailed full-colour illustrations throughout, this is the definitive manual for both the learner's and driver's tests.
