South Florida Employment Guide:

Handbook of Employee Selection James L. Farr, Nancy T. Tippins, 2017-03-27 This second edition of the Handbook of Employee Selection has been revised and updated throughout to reflect current thinking on the state of science and practice in employee selection. In this volume a diverse group of recognized scholars inside and outside the United States balance theory research and practice often taking a global perspective. Divided into eight parts, chapters cover issues associated with measurement such as validity and reliability as well as practical concerns around the development of appropriate selection procedures and implementation of selection programs. Several chapters discuss the measurement of various constructs commonly used as predictors and other chapters confront criterion measures that are used in test validation. Additional sections include chapters that focus on ethical and legal concerns and testing for certain types of jobs e.g. blue collar jobs. The second edition features a new section on technology and employee selection. The Handbook of Employee Selection Second Edition provides an indispensable reference for scholars, researchers, graduate students and professionals in industrial and organizational psychology, human resource management and related fields.

State by State Guide to Commercial Real Estate Leases Mark A. Senn, 2021-12-17 State by State Guide to Commercial Real Estate Leases is the only reference that cuts through the tangle of state laws and gathers together in one two volume set the essential information you need to know. It's all presented in a unique instant access format that's quick and easy to use. With the new 2022 Edition of State by State Guide to Commercial Real Estate Leases your days of fumbling through multiple titles for the valuable information you need are over. Built around 51 comprehensive charts, State by State Guide to Commercial Real Estate Leases reviews the relevant statutes in each state that regulate every facet of commercial real estate leasing. It gives you the statutes themselves plus commentary explaining how they are used, case law citations of authority and more. Whether you're in private practice or part of an in-house legal group, this ready reference to relevant statutes is sure to help you cut down research time, spot possible problems early and correct or work around them. Avoid costly and embarrassing mistakes. Protect yourself, your company and or your clients at every step. State by State Guide to Commercial Real Estate Leases is written by the top real estate lawyers in each state, pre-eminent practitioners so you can be sure it's authoritative and accurate. Each expert contributor has researched over 100 specific aspects of commercial real estate leasing from assignments and subleases to tenant's obligations and attorneys' fees to bring you the most complete and up-to-date coverage available anywhere today.
