Taking South Park Seriously Jeffrey Andrew Weinstock, 2008-09-11 Collection of scholarly essays on the wildly

popular Comedy Central show THE MAKING OF SOUTH PARK Jimmy J. Smart, From two broke college students with construction paper to billionaire media moguls the story of South Park is a revolution in comedy This is a professional and uncensored look into one of television s most influential and controversial series tracing the fearless journey of creators Trey Parker and Matt Stone This definitive guide takes you behind the scenes to uncover the origins of their chaotic genius from the short film that became one of the internet s first viral videos to the six day production cycle that allows them to turn current events into comedy gold Explore the show s most explosive moments including the real story behind Isaac Hayes s departure the battles with corporate censors and the creators principled stand against China that cost them an entire market The book reveals how Parker and Stone transformed their honestly offensive approach into a business model that earned them unprecedented financial success with groundbreaking ventures that span from a Tony winning Broadway musical to hit video games and a billion dollar streaming empire More than a simple story of a television show this is a masterclass in how to build a durable relevant and wildly profitable brand in the digital age It is a testament to the power of creative integrity and a must read for anyone who wants to understand the most fearless voice in American comedy
