Balor,2017-11-11 The television series SPACE 1999 was in its first series shaped by the late sixties and early seventies counterculture movements making SPACE 1999 into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate SPACE 1999 went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com

The Epic Structure of Space 1999 John K. Balor,2018-02-18 This book contains transcripts from Online Alpha discussions where the epic and narrative structure of SPACE 1999 is being discussed by comparing episodes with themes characters and elements of plot from the Homeric Odyssey and Lewis Carroll s stories about Alice The discussion is motivated by questions raised in the scholarly literature and earlier Online Alpha debates about how to make sense of SPACE 1999 from the viewpoint of critical theory The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com The Unseen Force John Kenneth Muir,2004-05 35 B W PHOTOS Best in Show John Kenneth Muir,2004-11 BEST IN SHOW THE FILMS OF CHRISTOPHER GUEST AND COMPANY **Forthcoming Books** Rose Army,2003 *Books in Print Supplement* ,2002

Intersectional Humanism and Star Trek: Discovery Alyson R. Buckman,2024-09-16 Intersectional Humanism and Star Trek Discovery focuses on the shift from the liberal humanism of the Star Trek franchise to the intersectional humanism of Star Trek Discovery Featuring a great deal of diversity both in front of and behind the camera Discovery affirms the guiding principle of the franchise infinite diversity in infinite combinations Arguing that the focus of Discovery is a connection between a variety of beings and ways of being in the world the author analyzes the relationships among humanoids and machines animals and between each other as well as the representation of trauma in the series The author finds that while there are reversions to some of the more problematic elements of liberal humanism over the course of the series ultimately it forms connections that will progress humanity and deepen our relationship to each other and the world

generic formulations and actual political military and cultural challenges By looking at a variety of genres the book shows that literature aiming to recall and define al Andalus expresses a series of symbolic literary objects more than a geographic and political entity fixed in a single time and place Looking Back at al Andalus offers a unique examination into the role of memory language and subjectivity in presenting a series of interpretations of what al Andalus represented to different writers at different historical cultural moments
