**Tell Them to Get Lost** Brian Thacker,2011-08-31 Travels with the Lonely Planet guidebook that started it all When Tony Wheeler wrote Lonely Planet s first ever shoestring guidebook South East Asia offered cheap and interesting travel without the constantly oppressing misery of some of the less fortunate parts of Asia Certain hotspots in the region attracted the tourist crowds but there were many untouched places too So have Tony s recommendations stood the test of time Just how much has South East Asia changed since the Wheelers ambled through the region in flared pants Brian Thacker decides to retrace Tony and Maureen s footsteps through Portuguese Timor Indonesia Singapore Malaysia Thailand Laos and Burma using the original 1975 South east Asia on a Shoestring as his only guidebook Along the way Brian meets a cast of folk from the old guidebook who are still manning hotel desks and serving in restaurants He also encounters mishap and adventure at every step of the Banana Pancake Trail breaking bread with a gang of ravenous rats swimming with a hungry goat and possibly also human eating crocodile crashing his scooter twice being wanted by the police and propositioned by Gary who likes pens and getting lost everywhere

**Yes Means Yes!** Jaclyn Friedman,Jessica Valenti,2019-03-05 This groundbreaking feminist classic dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure In the original edition feminist political and activist writers alike presented their ideas for a paradigm shift from the No Means No model and the result was the groundbreaking shift to

today's affirmative consent model Yes Means Yes as coined by this book With a timely new introduction refreshed cover and the timeless contributions of authors from Kate Harding to Jill Filipovic Yes Means Yes brings to the table a dazzling variety of perspectives and experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently and ending rape Yes Means Yes has radical and far reaching effects from teaching men to treat women as collaborators and not conquests encouraging men and women that women can enjoy sex instead of being shamed for it and ultimately that our children can inherit a world where rape is rare and swiftly punished **Philippine Journal of Education**, 1980
