One Tough Cookie Delise Torres, 2023-07-18 A Latina Fleabag committed to her carefree single life meets a sexy new mechanic determined to break through her defenses in this humorous and heartfelt foodie women's fiction set at a cookie company. All cookies are made with love even if twenty-seven-year-old Karina Cortez doesn't believe in the concept. For her a simple life with no attachments is a good life. And her life is indeed good even with her biggest accomplishment being passing the GED exam. Karina is able to secure an incredible and well-paying job at Singular Cookies Inc, a small family-owned cookie manufacturing plant in Fort Pierce, Florida. And although the founders of the company treat her like family, Karina insists she doesn't need or want one. Not after her mother chose a man over her own daughter, pushing the young Karina to move out and make it on her own. And she couldn't be happier with her single life unlike her friends whose lives revolve around men. Work and play collide when she meets the company's hot new mechanic Ian Feliciano who stirs up feelings she tends to avoid. Karina knows she shouldn't date him but she's strong, she'll never turn pathetic like her friends or especially her mom. And with a looming plant inspection and trying to break up the CEO's new romance, Karina has enough to distract herself. As the inspection draws near and Karina battles her heart, she'll have to decide whether to continue holding on to deeply ingrained beliefs that keep everyone at bay or learn that love is not as dangerous as she fears and in the end it is our history, our singular recipe that shapes how we live.

Moody's Public Utility Manual, 1957 *Ripple Effects* Pam Tebow, 2022-07 Discover the God-inspired difference only you can make in the world using the key you never knew you had. Tim Tebow credits his mom with being the key to his success but Pam never expected that she would be known on a national stage. For most of her life she was serving quietly and faithfully as a wife and a mom, choosing life for her child in the face of medical risks, answering the Lord's call to mission work in the Philippines and homeschooling before anyone knew what the word meant. But all along the way her experiences and her consistent everyday choices to follow the Lord and to serve wherever He placed her were creating unexpected ripples of influence throughout her family, her community, and her world. And they would end up extending far beyond anything she ever imagined. Pam believes that every one of us can be influential and that deep within a woman's heart is the desire to use her influence for good. In *Ripple Effects* Pam uncovers and explores the miraculous motivating power of influence we can have on this generation and the next no matter where we are planted in life. Whether we are in the midst of

endless diaper changes climbing up the corporate ladder or simply doing our best to live love and serve well each day Pam will encourage us to maximize our God given opportunities for influence and watch how far the ripples will spread
