Trainman News ,1949 **Choice** John A. Passaro,2016-04-03 Have you ever wondered why two wrestlers can wrestle multiple times with drastically different results Or why Wrestler A beat wrestler B Wrestler B beat wrestler C But wrestler A lost to wrestler C The answer is hidden in plain sight Styles make matches Choosing to create advantaged positions and avoid disadvantaged positions is the most underutilized strategic asset in wrestling The wrestler who wrestles in his highest advantage position for the longest time in the match will have the greater probability of winning That is the reason why two wrestlers wrestle multiple times with drastically different outcomes and why the logic doesn't hold that if one wrestler beat another he should be able to beat the wrestler his prior opponent beat If you watch and research matches between the same wrestler s you will see more times than not the reason there was a different outcome was because one wrestler was able to wrestle in his highest advantage position in one match and was not able to do so in the other Your job is to understand which position is your most favorable matchup position versus your opponent Where you have the greatest advantage Where you have the highest probability of scoring points as quickly And to get to that position I believe you don't get to that position by chance I believe you get to that position by choice Choice not chance determines your destiny Aristotle

Choice is part of the WrestlingU Series A series dedicated to the wrestler who is looking to get to the next level A wrestler who understands the value of training his mind along with his body Each book in the series tackles and breaks down a key aspect of the sport of high school and collegiate wrestling Each book is specifically designed to be short in length and direct to the point thus creating an easy read The series is not about piling on pages of information on the topic it is about presenting key aspects of the topic in a simplistic but powerful manner Most books in the WrestlingU Series will be approximately 40-60 pages in length and will contain information that when implemented will take a wrestler to his next level Choice is 40 pages in length The genius is in the simplicity *Wrestling in Practice* International Federation

The Rise & Fall of ECW Thom Loverro, 2007-05-22 Independent wrestling promotions were once the norm all across the country However with the rise of World Wrestling Entertainment and the creation of World Championship Wrestling out of three Southern promotions the possibility of an independent succeeding grew fainter and fainter As the nineties began independents were looking for creative ways to survive In the East several banded together to share cost and talent they were known as Eastern Championship Wrestling Based out of a warehouse in Philadelphia that stored parade floats and hosted bingo this promotion seemed doomed to be just one more ninety day wonder When they hired a brash New Yorker Paul Heyman he warned Eastern Championship Wrestling that the job was just temporary He would come in shake up a lot of the wrestlers and then leave But what Heyman did redefined professional wrestling in the nineties What he created was a company that dared to push the boundaries of sports entertainment What he created became Extreme Championship Wrestling As the person responsible for booking who was going to wrestle and who was going to win Heyman dared to break with tradition Rather than relying on local talent and down and out veterans to draw in crowds he created new characters and story lines that would appeal to the core wrestling fans eighteen to twenty four year old men Paul also realized that to persuade them to come you had to get their interest and keep it You had to offer the fans more than just the match ECW became known for the interview the shoot Heyman got to know each wrestler s style and in their interviews he would encourage them to speak from their hearts When it came to the matches ECW broke even farther from the mainstream Tables ladders chairs barbed wire and even frying pans were used with abandon Wrestlers not wanting to be topped put their bodies on the line taking ever greater risks daring to jump leap and fall from places never tried before ECW matches became the stuff of legend Word spread as savvy wrestling fans began talking about the promotion and exchanging tapes To keep the buzz building wrestlers used the age old trick of taunting the fans and ECW fans responded in kind By including the fans in the shows ECW attracted a rabid cult like following that is still going strong today For nearly a decade ECW redefined professional wrestling with a reckless brutal death defying and often bloody style that became synonymous with hardcore Through extensive interviews with former ECW talent and management Paul Heyman Mick Foley Tazz Tommy Dreamer Rob Van Dam and many more *The Rise Fall of ECW* reveals what made this upstart company from Philadelphia great and what ultimately led to its demise [Wrestling Archive Project](#) Scott Teal, 2015-10-31 A series of volumes featuring exclusive interviews with pro wrestling s greatest stars from the past *Pro Wrestling* Lew Freedman, 2018-09-07 This book provides readers with an abundance of information and historical perspective as well as entertaining and memorable anecdotes about professional wrestling Readers will also learn unusual snippets of trivia that will enhance their comprehension of the sport This authoritative work on the history and culture of professional wrestling features the biggest names in the wrestling world

Reynolds,2010-11-16 Wrestling biggest mistakes most comical mishaps and most egotistical performers are all featured in this cornucopia of nonsense presented in top 10 list format Lists include The Greatest Mullets in the History of the Game Wrestlers Who Moonlighted in Porn The Wrestling Divas Who Suffered the Greatest Falls from Grace and The 25 Worst Gimmicks of All Time Irreverent off kilter and certain to be offensive to all this compendium is a hilarious look at the lunacy of professional wrestling *WrestleCrap* Randy Reynolds,R.D. Reynolds,2003-10-31 *WrestleCrap* The Very Worst of Professional Wrestling examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea Was George Ringo the Wrestling Beatle really the best gimmick that a major promotional organization could come up with And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg In an attempt to answer such questions and figure out just what the promoters were thinking authors Randy Baer and R D Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth In some instances the motivations driving the spectacle prove even more laughable than what was actually seen in the ring Covering such entertainment catastrophes as an evil one eyed midget and a wrestler from the mystical land of Oz not to mention the utterly comprehensible Turkey on a Pole match a gimmick which AWA fans might recall *WrestleCrap* is hysterically merciless in its evaluation of such organizations as the WCW and the WWF This retrospective look at the wrestling world s misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches
