

## What is a Persuasive Text?

A persuasive text is a piece of writing used to share the writer's point of view. It is an organized and imaginative form of writing.

**TF**  
A persuasive text is intended to convince readers to believe in an idea or opinion. When we write in this style we want the reader to agree with us. That means we need to use strong language to convince the reader that our opinion is the right one.

## Features of a Persuasive Text

A persuasive text...

- argues a case for or against a point of view or belief
- includes an opening statement which states the writer's point of view or position
- provides three reasons or arguments, in paragraph form, which are supported by evidence
- ends with a concluding statement that restates and reinforces the opening position
