- Pictures (Optional)
- Presentation

Materials Needed:

- 4 x 6 index cards
- 2-pocket folder (for all Research materials)
- Flash Drive (if you don't already have one)
- Pencils/ Editing Pen

Topic: Historical, Mathematical, or Scientific Event

Choosing a Topic

1. Brainstorm
2. Have your parents sign off (or initial) that they approve of your top 3 choices
3. Have Mrs. Weber approve your top 3 choices
4. Verify that you can find 2 sources for your topic: one book and one (reliable) website (*Note: If you can't find enough information on one topic, move to your next topic. Some topics may be too broad and need to be narrowed down.)
5. Choose your final topic—give Mrs. Weber your final choice

Creating an Outline

1. Look through your sources: What is most important about your event? What information do you need to include to properly explain and present your event?
2. Suggested Details:
 - Dates
 - Places
 - People Involved
 - What happened?
 - Why is this event an important?

Start Researching

1. Create Source Cards
2. How Do I Take Notes?
 - Setting up your note cards
 - Use your outline!
 - Use your sources and summarize (bullet points only!)

Turning Your Research into a Paper

Handbook of Writing Research Charles A. MacArthur,Steve Graham,Jill Fitzgerald,2008-01-14 Presents a collection of essays discussing the theories and models of writing research Engaging Students in Disciplinary Literacy, K-6 Cynthia H. Brock, Virginia J. Goatley, Taffy E. Raphael, Elisabeth Trost-Shahata, Catherine M. Weber,2014-03-01 This accessible book will help elementary school teachers improve literacy instruction inside or outside the Common Core environment The authors address teachers instructional needs by introducing key concepts from current trends in literacy education from high level standards to the use of 21st century literacies Readers then follow teachers as they successfully implement the curriculum they developed to promote high level thinking and engagement with disciplinary content The text focuses on three disciplinary literacy units of instruction a science unit in a 2nd grade classroom a social studies history unit in a 4th grade classroom and a mathematics unit in a 6th grade classroom Each unit revolves around a central inquiry question and includes research based strategies for using reading writing and classroom talk as tools to foster disciplinary understandings This unique insider s look at how real teachers build and implement a Common Core aligned curriculum will be an invaluable resource for teachers schools and districts as they move forward to align their own curricula **Middle Grades Research**

Journal Toni M. Williams,2022-12-01 The Middle Grades Research Journal MGRJ is a peer refereed journal that publishes original empirical and theoretical studies focused on middle grades education All studies must include substantial linkage to the literature base in middle grades education young adolescent development and or teaching and learning environments suitable to students during the middle grade years Studies using a sample of students or teachers from the middle grades but with no linkage to middle grades literature are unlikely to be acceptable for publication Considering that significant research in the middle grades may be approached in a variety of ways MGRJ publishes research studies employing a range of paradigms and methodologies including but not limited to quantitative qualitative and mixed methodologies historical research case studies single subject designs and studies employing large scale data bases The Conscious Teacher Deborah Nichols Poulos,2020-01-13 The Conscious Teacher is about all kinds of strategies and techniques educators might

employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes *The Conscious Teacher* unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s *Hamlet* *Macbeth* *King Lear* *Julius Caesar* and *A Midsummer Night s Dream* She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize *The Conscious Teacher* is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well *The Conscious Teacher* is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling
