

# How to write a strong thesis statement

1

## Introduce the subject

Climate change disproportionately affects developing countries.

2

## Make your assertion

Since it disproportionately affects developing countries, climate change is as much a political question as an ecological one.

3

## Reason your assertion

Recent data has shown that climate change aggravates the effects of population growth, poverty, and urbanization. Since this affects developing countries disproportionately, climate change is as much a political question as an ecological one.
