Cambridge English Proficiency: Writing Part 2

Description

This activity familiarises students with the text types, focus and word limit in Writing Part 2. Students discuss the requirements of a question which asks them to write a review. They check a sample answer to make sure it answers the question and to consider which band the answer is in.

Time required:	25 minutes
Materials required:	<ul style="list-style-type: none">• Cambridge English Proficiency Handbook or copies/OHT of the description of the Writing paper from the Handbook• Student's worksheet (one copy per student)• Sample answer (one copy per student)• Writing Assessment scales (one copy per student)
Aims:	<ul style="list-style-type: none">• to familiarise students with the text types, focus and word limit in Writing Part 2.• to help students understand the requirements of a Part 2 question• to familiarise students with review writing• to familiarise students with assessment
Procedure	<ol style="list-style-type: none">1. As a lead in, ask what your students write in their everyday lives, e.g. notes, text messages, emails, etc. Establish if anyone often writes longer pieces such as reports, essays or proposals. Briefly discuss what students like or don't like about writing both short and long texts, e.g. the style, the type of language used, having to plan/being spontaneous, checking and editing.2. Refer students to Student's worksheet Exercise 1. Ask students, in pairs, to complete the key facts about Cambridge English Proficiency Writing, referring to the handbook if necessary.3. Check the answers to Exercise 1 with the whole class. Ask if there are any other questions about Part 2.4. Remind students of the importance of making the right choice in Part 2 during the exam. Students should choose a topic they have experience of, they have enough vocabulary for, and choose a task type which suits their writing style. One way to increase the range of questions they can answer is to study different genres of writing, so in this activity you are going to focus on writing a review.5. Ask students if they like reading novels. Elicit the names of any novels about the students' country/countries. Briefly discuss which aspects of life in their country are portrayed in novels.6. Refer students to Exercise 2 on the Student's worksheet. Ask them to read the Part 2 sample task very carefully, and, with a partner, to discuss what they have to do to answer the question by completing the writing plan.7. Check the completed writing plans with the whole class (see Key). Emphasise the importance of answering both parts of the question and of writing in an appropriate format and style.
