

Wuthering Heights by Emily Brontë

I. Narrative Frames and *Wuthering Heights* Narrators:

Wuthering Heights is a **frame story**. One part of the frame story involves the “**narrative present**”—i. e. the present time frame of Lockwood being the new tenant at Thrushcross Grange, located in the north of England. The first voice is that of Lockwood. Lockwood is shocked and intrigued by his visits to Wuthering Heights, the home of his landlord, Heathcliff. Lockwood becomes very ill, and during his recuperation at Thrushcross Grange, he invites his housekeeper Nelly Dean to tell him the full history of the strange inhabitants of Wuthering Heights. Thus, the second and main narrator of *Wuthering Heights* is introduced: Nelly Dean, a participant in the “history”. She will relate her story to Lockwood, and to us, the readers of *Wuthering Heights*. Her story, of course, is the “**narrative past**.”

II. The following questions, presented in blocks of chapters arranged in blocks as the narrators change, will help you understand the novel as you read it. (I suggest that you read one or more chapters, then answer the questions while they are fresh in your mind. You will, of course, have to answer the questions on other paper.)

VOLUME I

- **Chapters 1-3, and part of chapter 4, are narrated by Lockwood in the Narrative Present. Nelly Dean begins her story in chapter 4 on page 35.**

Don't worry too much in the first three chapters about names and relationships. These will become clearer as you read.

1. Describe Heathcliff from Lockwood's point of view (see especially page 5), but also talk about Heathcliff's manner toward Lockwood.
2. How is Heathcliff contrasted to “his abode and style of living” (p. 5)?
3. How does Lockwood become ill?

- **Chapters 4-7: Narrative Past - narrated by Nelly Dean**

1. What mysteries are there about Heathcliff and his origins?
2. What possible explanations might there be for Mr. Earnshaw's favoritism for Heathcliff?
3. What attracts Catherine to Heathcliff? Why does Hindley hate him?
4. In a key scene from chapter 7, Edgar and Isabella Linton visit Wuthering Heights. Heathcliff tries to be presentable but Hindley banishes him to the garret (attic). Catherine steals away to join Heathcliff, who vows revenge: “...I shall pay Hindley back.”
5. Contrast Edgar Linton and Heathcliff, particularly as seen through Cathy's eyes.

A Student's Guide to Wuthering Heights by Emily Brontë Richard E. Mezo, 2002 A Student's Guide to *Wuthering Heights* by Emily Brontë is a general introduction to one of the great English novels of the nineteenth century. Misunderstood by most critics and commentators upon its publication in 1847, the story of Catherine and Heathcliff and their peers and descendants slowly became recognized as the work of a genius and is now on nearly every list of recommended books for both high school and college students. However, many students today find the novel difficult to read and understand because of its language and its setting, especially challenging to some are the sections in which characters speak in the Yorkshire dialect. This guide provides an easy-to-use glossary of that dialect and translations of the dialogue. It also includes discussions of the social, economic, and political background of the period, the last part of the eighteenth and the first part of the nineteenth centuries. Combined with a thorough coverage of language and background, this guide offers a list of questions about the reading that are intended to lead the students to independent thinking about the work. Unlike some better-known guides, this text contains no detailed summary of parts of the novel. Students must read chapters of the novel itself in order to answer the questions. In a few instances, readers must go outside *Wuthering Heights* to answer a question that is; some basic research is required. In addition, the appendices contain materials intended to enrich the

novel and to deepen the appreciation of each student for this outstanding work It is the desire of the author to make *Wuthering Heights* more readily accessible to students and at the same time to challenge them to engage in independent critical reading
