Sorority Initiation Letter:

College Girls: Bluestockings, Sex Kittens, and Co-eds, Then and Now Lynn Peril, 2006-07-25 From her first appearance in the mid nineteenth century when the age old conflict over educating women was finally laid to rest the college girl has attracted criticism advice and regulation from her elders not to mention some enduring images in popular culture Is she a geek in glasses Or a sex kitten in a teddy This book brings together women s history and popular culture in a readable blend of information insight and humor peppered with photographs and other femoribilia from the turn of the twentieth century through the 1970s From publisher description

Black Greek-Letter Organizations in the 21st Century Gregory S. Parks, 2008-06-13 A masterpiece of multidisciplinary scholarship that clearly demonstrates the contemporary relevance of black fraternities and sororities Hasan Kwame Jeffries author of *Bloody Lowndes* During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed To foster a greater engagement with the history and contributions of BGLOs *Black Greek Letter Organizations in the Twenty first Century* brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance *Black Greek Letter Organizations in the Twenty first Century* demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

Black Greek-letter Organizations in the Twenty-First Century Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general

public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

The Hazing Reader Hank Nuwer, 2004 Despite numerous highly publicized incidents and widespread calls for reform hazing continues to plague many of the nation s institutions In this volume noted hazing researcher Hank Nuwer presents 15 essays that can help all of us parent and professional alike better understand the culture of hazing African American Fraternities and Sororities Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29 The rich history and social significance of the Divine Nine African American Greek letter organizations is explored in this comprehensive anthology In the long tradition of African American benevolent and secret societies intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members exerting considerable influence in the African American community and being in the forefront of civic action community service and philanthropy Dr Martin Luther King Jr Toni Morrison Arthur Ashe and Sarah Vaughn are just a few of the trailblazing members of these organizations African American Fraternities and Sororities places the history of these organizations in context linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement It explores various cultural aspects of the organizations such as auxiliary groups branding calls and stepping and highlights the unique role of African American sororities The Lost Boys of Zeta Psi Laurie A. Wilkie, 2010-04-02 The Lost Boys of Zeta Psi takes us inside the secret amusing and sometimes mundane world of a California fraternity around 1900 Gleaning history from recent archaeological excavations and from such intriguing sources as oral histories architecture and photographs Laurie A

Wilkie uncovers details of everyday life in the first fraternity at the University of California Berkeley and sets this story into the rich social and historical context of West Coast America at the turn of the last century In particular Wilkie examines men s coming of age experiences in a period when gender roles and relations were undergoing dramatic changes Her innovative study illuminates shifting notions of masculinity and at the same time reveals new insights about the inner workings of fraternal orders and their role in American society

Campus Life in the Movies John E. Conklin,2014-01-10 Hollywood films have presented audiences with stories of campus life for nearly a century shaping popular perceptions of our colleges and universities and the students who attend them These depictions of campus life have even altered the attitudes of the students themselves serving as both a mirror of and a model for behavior One can only imagine how many high school seniors enter college today with the hopes of living the proverbial Animal House or PCU Greek experience or how many have worried over the SAT and college admissions after watching more recent movies like 2004 s The Perfect Score This book explores themes of college life in 681 live action theatrically released feature length films set in the United States and released from 1915 through 2006 evaluating how these movies both reflected and distorted the reality of undergraduate life Topics include college admissions the freshman experience academic work professor student relations student romance fraternity and sorority life sports political activism and other extracurricular activities The book also includes a complete filmography and 66 illustrations

UNKNOWN PATHS C.E. McLain,2012-07-23 Safety while attending college is everybody s responsibility especially the student s Parents and students should know that in many colleges freshmen enter a very diverse student mixture There are teenagers grandparents military veterans who have been in combat former patients still on medication individuals of different sexual orientations and individuals who are very devout in their religious faith and there are individuals who practice no faith at all

Hazing Hank Nuwer,2018-03 When does becoming part of the team go too far For decades young men and women endured degrading and dangerous rituals in order to join sororities and fraternities while college administrators blindly accepted their consequences In recent years these practices have spilled over into the mainstream polluting military organizations sports teams and even secondary schools In *Destroying Young Lives Hazing in Schools and the Military* Hank Nuwer assembles an extraordinary cast of analysts to catalog the evolution of this dangerous practice from the first hazing death at Cornell University in 1863 to present day tragedies This hard hitting compilation addresses the numerous significant and often overlooked impacts of hazing including including sexual exploitation mental distress depression and even suicide *Destroying Young Lives* is a compelling look at how universities the military and other social groups can learn from past mistakes and protect their members going forward

Bertha Maxwell-Roddey Sonya Y. Ramsey,2022-06-21 This biography of educational activist and Black studies pioneer Bertha Maxwell Roddey examines a life of remarkable achievements and leadership in the early years of the desegregated South Sonya Ramsey describes how Maxwell Roddey and her peers turned hard won civil rights and feminist milestones into

Ida Shaw Martin, 1909 *A Pledge with Purpose* Gregory S. Parks, Matthew W. Hughey, 2024-02-06 Reveals the historical and political significance of The Divine Nine the Black Greek Letter Organizations In 1905 Henry Arthur Callis began his studies at Cornell University Despite their academic pedigrees Callis and his fellow African American students were ostracized by the majority white student body and so in 1906 Callis and some of his peers started the first intercollegiate Black Greek Letter Organization BGLO Alpha Phi Alpha Since their founding BGLOs have not only served to solidify bonds among many African American college students they have also imbued them with a sense of purpose and a commitment to racial uplift the endeavor to help Black Americans reach socio economic equality *A Pledge with Purpose* explores the arc of these unique important and relevant social institutions Gregory S Parks and Matthew W Hughey uncover how BGLOs were shaped by and labored to transform the changing social political and cultural landscape of Black America from the era of the Harlem Renaissance to the civil rights movement Alpha Phi Alpha boasts such members as Thurgood Marshall civil rights lawyer and US Supreme Court Justice and Dr Charles Wesley noted historian and college president Delta Sigma Theta members include Bethune Cookman College founder Mary McLeod Bethune and women s rights activist Dorothy Height Huey P Newton co founder of the Black Panther Party who left an indelible mark on the civil rights movement was a member of Phi Beta Sigma while Dr Mae Jemison a celebrated engineer and astronaut belonged to Alpha Kappa Alpha Through such individuals Parks and Hughey demonstrate the ways that BGLO members have long been at the forefront of innovation activism and scholarship In its examination of the history of these important organizations *A Pledge with Purpose* serves as a critical reflection of both the collective African American racial struggle and the various strategies of Black Americans in their great and unfinished march toward freedom and equality **Disciplining Women** Deborah Elizabeth

Whaley, 2010-09-01 Black Greek letter organizations offer many African Americans opportunities for activism community building fostering cultural pride and cultural work within the African American community *Disciplining Women* focuses on the oldest Black Greek letter sorority Alpha Kappa Alpha established in 1908 In this innovative interdisciplinary analysis of AKA Deborah Whaley combines ethnographic field work archival research oral history and interpretive readings of popular culture and sorority rituals to examine the role of the Black sorority in women s everyday lives and more broadly within public life and politics The study includes sorority members stories of key cultural practices and rituals including political participation step dancing pledging hazing and community organizing While she remains critical of the shortcomings that plague many Black social organizations with activist programs Whaley shows how AKA s calculated cultivation of sorority life demonstrates personal and group directed discipline and illuminates how cultural practices intersect with politics and Black public life **Wrongs of Passage** Hank Nuwer, 2001 Explores the problems of hazing and binge drinking at fraternities and sororities on American college campuses telling the stories of some of the young people who have been seriously injured or

died as a result of such behaviors and offers a list of recommendations for reform **African Battle Traditions of Insult**

Tanure Ojaide, 2023-04-26 This book explores the battles of words songs poetry and performance in Africa and the African Diaspora These are usually highly competitive artistic contests in which rival parties duel for supremacy in poetry composition and or its performance This volume covers the history of this battle tradition from its origins in Africa especially the udje and halo of the Urhobo and Ewe respectively to its transportation to the Americas and the Caribbean region during the Atlantic slave trade period and its modern and contemporary manifestations as battle rap or other forms of popular music in Africa Almost everywhere there are contemporary manifestations of the more traditional older genres The book is thus made up of studies of contests in which rivals duel for supremacy in verbal arts song poetry and performance as they display their wit sense of humor and poetic expertise Sigma Nu fraternity delta , 1899 White Sororities and the Cultural Work of Belonging

Charlotte Hogg, 2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including increased scrutiny on White women s social justice failings have intensified But as Hogg shows rhetorics of belonging have always occurred amid and even in response to anti GLO sentiment She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside In her analysis Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing Through engaging narrative drawing on her experiences as a member of a White sorority archival research and interviews with collegians and alumni she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways This thought provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies gender studies feminism sociology cultural anthropology and history **But It's Your Family . . .**

Sherrie Campbell, 2019-01-01 A psychologist offers a roadmap for those looking to break free of toxic family relationships and thrive in the aftermath Toxic family abuse is always two fold The first layer of abuse is the original poor treatment by toxic family members and the second is someone s denial of the ways in which abusers treat and harm them Loving someone doesn t always mean having a relationship with them just like forgiveness doesn t always mean reconciliation A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one s ability to be healthy and function best But It s Your Family is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath Inside Dr Sherrie Campbell clarifies How parents adult children siblings grandparents and in laws can be toxic The difference between flawed and toxic family members Explaining the cutting of ties to children and others who may not understand Spiritual and religious views on forgiveness The definition of cutting ties and what No Contact actually means When readers are able to bring closure to

those toxic relationships they give themselves the space to love those family members from a distance as fellow human beings with the knowledge that it is unwise to remain connected Readers learn how to love themselves in the process and fundamentally change their lives for the better

Ann Caruso, 2012-03 *Diary of a Sorority House Mom* recounts Ann Caruso's first two years as house director for a female version of Animal House where the women of the house set and enforced their own rules When the girls asked if they could recycle liquor bottles during their first meeting she knew she was in trouble Though the house director contract and manual mandated that Ms Caruso was responsible for the safety of the girls she had no authority to carry out that task There was no tab on the manual for what happens if a drunk girl falls out of the third floor window gets raped or dies of alcohol poisoning It was common to find kegs iced in the bathtub bottles of alcohol used as room decorations and when she asked the risk management vice president if she wanted to know when a guy spent the night her response was Why Has someone complained *Diary of a Sorority House Mom* will make you laugh out loud and bring you to tears It is sometimes hysterical and at others disturbing or disgusting but it was her life for two years Her first sorority girls gave her eighteen of the happiest and six of the saddest months of her life And for the most part she wouldn't have changed a thing

Equivalence Amanda L. Golbeck, 2017-04-28 *Equivalence* Elizabeth L Scott at Berkeley is the compelling story of one pioneering statistician's relentless twenty year effort to promote the status of women in academe and science Part biography and part microhistory the book provides the context and background to understand Scott's masterfulness at using statistics to help solve societal problems In addition to being one of the first researchers to work at the interface of astronomy and statistics and an early practitioner of statistics using high speed computers Scott worked on an impressively broad range of questions in science from whether cloud seeding actually works to whether ozone depletion causes skin cancer Later in her career Scott became swept up in the academic women's movement She used her well developed scientific research skills together with the advocacy skills she had honed in such activities as raising funds for Martin Luther King Jr and keeping Free Speech Movement students out of jail toward policy making that would improve the condition of the academic workforce for women The book invites the reader into Scott's universe a window of inspiration made possible by the fact that she saved and dated every piece of paper that came across her desk
