Sos Titanic Literature Guide

Mary Ellen Sterling

Sos Titanic Literature Guide:

A Guide for Using SOS Titanic in the Classroom, Based on the Novel Written by Eve Bunting Susan

Brennan,1999 Fifteen year old Barry O Neill traveling from Ireland to America on the maiden voyage of the Titanic finds his life endangered when the ship hits an iceberg and begins to sink Copyright Libri GmbH All rights reserved The Titanic in Print and on Screen D. Brian Anderson,2014-12-09 Titanic scholars contend that the demise of the unsinkable ship left more behind than a memory of April 15 1912 as an important point in history Through books films stories and songs the archetypal shipwreck has endured as a metaphor for the perils of mankind s hubris and the fallibility of technology In 1985 the discovery of the long missing wreckage two miles below the surface of the Atlantic revitalized interest in the Titanic and spawned a new generation of books films and for the first time websites and computer games James Cameron s blockbuster Titanic became the biggest movie of all time and engendered still greater popular interest in the tragic event This bibliography is a survey of the immense volume of literary dramatic and commercial endeavors that came out of history s most compelling shipwreck Organized by genre in accessible categories and short entries the book includes Titanic inspired documentaries narrative films children s books histories short stories novels plays articles essays software websites poems and songs Each entry includes a brief review bibliographic information and the technical details of the specific source The reviews include subjective analysis designed to reflect the usefulness of the source and to be of benefit to researchers and scholars Five appendices include lists of the actors appearing in more than one Titanic film brief film and television appearances of the Titanic films never or not yet released books that survived the wreck and books written by passengers **A**

Science/literature Unit Guide for Using 'The Magic School Bus Inside the Human Body' in the Classroom Ruth M.

Young,1996 A resource with facts diagrams ready to use lessons and hands on activities to supplement the book The magic school bus inside the human body *The Sinking of the Titanic* Jim Whiting,2007-03 The sinking of the ocean liner Titanic in 1912 was one of the most famous events of the twentieth century The ship was the largest and most luxurious passenger liner of the age While she was being built Titanic was described as practically unsinkable Yet she went down on her maiden voyage after striking an iceberg More than 1 500 passengers and crew members perished in the frigid waters of the North Atlantic Nearly all died because the ship didn t carry enough lifeboats Yet according to the shipping regulations at the time Titanic actually carried more lifeboats than she was legally required to Many people also believe that the ship was traveling too fast Yet her captain wasn t doing anything different than nearly every other liner at that time The sinking attracted worldwide media interest This interest has never lessened The loss of the Titanic is just as fascinating today as it was on the day it occurred How to Calculate Measurements, Grades 1-3 Mary Rosenberg,2000 **Children's Magazine Guide**
