Reem then translates this spirit into her own work in California creating restaurants that define hospitality at all levels. Yes, there are tender lamb dishes, piles of fresh breads and perfectly cooked rice, but there is also food for thought about what it takes to create a more equitable society where workers and people often at the margins are brought to the center. Reem's glorious dishes draw in readers and customers, but it is her infectious warmth that keeps them at the table. With gorgeous photography, original artwork and transporting writing, Reem helps readers better understand the Arab diaspora and its global influence on food and culture. She then invites everyone to sit at a table where all are welcome.

Tequila & Tacos Katherine Cobbs, 2020-10-20

Sample the country's most tantalizing tacos paired with equally inventive tequila-inspired cocktails from seasoned food writer and libation enthusiast Katherine Cobbs. Tacos have been trending for years, and finally tequila is having its taco moment. While a crunchy savory beef taco washed down with a frozen margarita is always acceptable, today the inspired options for what can be stuffed in an edible wrapper or blended with agave spirits are infinite. Behind the bar, the burgeoning array of top shelf tequilas and mezcal available hold their own and even outshine liquor mainstays like vodka, gin and bourbon. The ubiquitous tequila shot with requisite salt and lime chaser can't compete with the complex nuanced flavors of the finely crafted blanco reposado and añejo tequilas and smoky mezcal that deserve sipping and savoring. Featuring authentic classics like Tacos Al Pastor and Baja style fish tacos, Tequila Tacos also includes entirely new spins on the taco, such as fried Brussels sprout tacos, spicy cauliflower tacos in Indian paratha shells or tempura battered seaweed tacos cradling ahi tuna paired with uncannily delicious cocktails crafted with the finest agave spirits like a traditional tart Paloma cocktail rimmed with spiced salt or an eye-opening Mezcal Manhattan. Curated from bars and taco stands around the country, this book is a must-have for the taco and tequila aficionado.
