[The Postman Who Delivered Tomorrow's Mail](#) Hugo Bainbridge, Frank our protagonist is not your average postman Oh no he s far more exciting far more chaotic and infinitely more prone to accidental time travel He s the kind of guy who would accidentally deliver a parking ticket to the future leading to a city wide rebellion fueled by a deep seated rage against incorrectly timed penalties He s the kind of guy who would deliver a love letter to the wrong person

causing an intercontinental war between rival cat fancier societies and leaving a trail of confused felines in his wake Yes Frank is a force of nature A wonderfully clumsy unintentionally destructive force of nature who is utterly and completely unprepared for the task of fixing the increasingly ridiculous time bending mess he s created This isn t your typical time travel story there are no sleek machines no complicated paradoxes explained with diagrams just the sheer unadulterated chaos of a postman caught in a temporal vortex armed with nothing but an overstuffed mailbag and a surprisingly calm demeanor And trust me things are about to get a whole lot crazier Buckle up because this is going to be one wild hilariously catastrophic ride Prepare for a story that will make you question the importance of delivering mail on time and perhaps the sanity of anyone who attempts to fix a time traveling catastrophe with only a slightly sticky piece of marmalade
