The Adventures of Jake and Moon Granny Jaye Seymour, 2013-01-01 My nine year old says I would give this book one hundred and two out of ten It is very well written and I like the idea that Jake s granny is so unusual and that the story is set in a different place space The author has a good sense of humour it s a very funny book Alice G Amazon Book Reviewer Help Great Uncle Raymond and his pet fire newt Flamer have been kidnapped by the smelliest space pirates in the universe It s up to Jake and his granny to rescue them with a little help along the way from some burping green aliens But first they ll need to make it
