[The Ultimate Unofficial World of Warcraft Classic Leveling Guide \(Special Edition\)](#) Vincent Verret, 2018-07-19 Welcome to the Ultimate Unofficial Classic WoW Leveling Guide with complete 1-60 routes for BOTH the Alliance and Horde. With this guide you'll save days off of your leveling time getting you to 60 in the fastest time possible. This guide is designed for new players and veterans alike and you'll need it when faced with the difficulty of the original World of Warcraft. This guide contains both an outline of leveling by questing area and character level as well as tips, tricks, secrets and advanced techniques to speed up your leveling. If you want to quickly get into level 60 raids and dungeons you'll need this guide. Why World of Warcraft Classic? Like many of you I have fond memories of the original WoW and its Burning Crusade Expansion. I remember a time before instant gratification achievements and cross realm group finder where your reputation, skill as a player and social connections mattered. When faced with the challenges of Azeroth we all had to make friends and work together. With the return of classic WoW we can all have that again: friendships that last beyond the game instead of gear that is recycled with each content patch. Classic WoW is about quality over quantity. I have nearly 200 mounts on regular WoW yet none feel as rewarding as my original level 60 mount. With this series of Guides you can become that legend again or become a new legend in the most important MMORPG of our time. **Verret's Horde Leveling Guide: An Unofficial Wow Classic Guide** Vincent Verret, 2019-01-19 Updated with additional speed running notes, data and findings. but stopped subscribing at some point Out of the millions of players who played the game there was not a single recorded instance of someone hitting the gold cap 215 000 gold on one character This means it is more common for someone to be a billionaire in America about 1 out of 600 000 than it is for someone to have 215 000 gold This is why I have compiled the most comprehensive optimal and practical guide on gold making in World of Warcraft Classic I played the original WoW through Wrath of the Lich King with a Hunter main and Druid alt and have played on 3 different vanilla WoW private servers where I have over 25 level 60 characters and amassed hundreds of thousands of gold among them My love of the game evolved past raiding and PvPing and I became consumed by the economic PvP competing against other goblins to earn more gold With WoW Classic s release I am happy to finally share everything I have learned about making gold This book will cover the most optimal and practical strategies for gold making while discarding the less optimal ones that are often repeated in popular guides This book will also include resources such a full list of level appropriate mobs to grind while leveling a full list of the most lucrative twink items in the level 19 and 29 brackets a full list of the most lucrative BoE limited supply vendors to camp a step by step action plan for the launch of Classic WoW and much much more
