Hopkins,2002-09-15 Originally published as Princes and peasants 1983 To Amend the Probation Law United States. Congress. House. Committee on the Judiciary,1928 **Enforcement of the Narcotic Laws** United States. Congress. House. Committee on the Judiciary,1929 *Enforcement of the Narcotic Laws* United States. Congress. House. Committee on the Judiciary. Subcommittee No. 1,1929 Committee Serial No 34 **Traffic in Opium and Other Dangerous Drugs ...** United States. Federal Narcotics Control Board,1929 *Roses in Red Wax* Louise Mayberry,2023-03-03 Reading this book was like being transported to Scotland 200 years ago Reader review 1820 Scotland Amidst the smoke choked alleys of Glasgow and the untamed beauty of the Highlands a spellbinding tale of love and rebellion unfolds Jane Stuart has lost everything Her betrothed her ancestral castle and her cherished orchard her life s work have all been ripped away Now exiled and adrift in the cold fog of Glasgow she s numb to the weight of her grief resigned to a desolate future shrouded in loneliness and grey But fate has a different plan Percy Sommerbell is a musician a free spirit who holds nothing but disdain for his industrialist father But when familial duty forces Percy to travel to Scotland he s confronted with a painful truth a truth that threatens to unravel the very fabric of his carefree existence His family s money the fortune that funds his hedonistic enjoyment of all life s pleasures is generated by the suffering of children in his father s mills In the midst of Glasgow s smoke and shadows Percy encounters Jane a mysterious Highland beauty whose sad eyes and luscious curves promise both distraction from his guilt and inspiration for his music Against all reason Jane falls under Percy s spell But when the mills become the first spark in a violent radical insurgency their budding connection faces a perilous trial beyond anything they could have imagined A beautifully told story that perfectly blends the sweet tender emotions of love the tragic pain of loss and the healing powers of love and acceptance with the realism of the world Reader review *Roses in Red Wax* is the first book in the Darnalay Castle Series although all of the books in the series can be read as standalones For fans of Bree Wolf Lily Baldwin and Julia Brannan this novel is the perfect mixture of realistic history and heart wrenching romance It contains strong language and several spicy open door scenes **Fertility and Pleasure** William R. Lindsey,2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values Their differences both real and idealized indicate the full range of female roles and sexual values affirmed by Tokugawa society with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other The roles of courtesan and bourgeois housewife were each tied to a set of value based behaviors the primary institution to which a woman belonged and rituals that sought to model a woman s comportment in her interactions with men and figures of authority For housewives it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of

female obedience loyalty to the husband's household and sexual activity aimed at producing an heir. Pleasure values by contrast flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello's bottom line. What William Lindsey reveals in this well-researched study is that although the values that idealized the role of wife and courtesan were highly disparate, the rituals, symbols, and popular practices both engaged in exhibited a degree of similitude and parallelism. *Fertility and Pleasure* examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm, transcend, or resist these sets of sexual values. In doing so, it affords new views of Tokugawa society and Japanese religion. Highly original in its theoretical approach and its juxtaposition of texts, *Fertility and Pleasure* constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures. **American Girls in Red Russia** Julia L.

Mickenberg, 2017-04-25 If you were an independent, adventurous, liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living? Paris and the Left Bank quickly come to mind. But would you have ever thought of Russia and the wilds of Siberia? This choice was not as unusual as it seems now. As Julia L. Mickenberg uncovers in *American Girls in Red Russia*, there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century. Russian revolutionary ideology attracted many women, including suffragists, reformers, educators, journalists, and artists, as well as curious travelers. Some were famous, like Isadora Duncan or Lillian Hellman; some were committed radicals, though more were just intrigued by the Soviet experiment. But all came to Russia in search of social arrangements that would be more equitable, just, and satisfying. And most, in the end, were disillusioned: some by the mundane realities, others by horrifying truths. Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society. Soviet women, after all, earned the right to vote in 1917 and they also had abortion rights, property rights, the right to divorce, maternity benefits, and state-supported childcare. Even women from Soviet national minorities, many recently unveiled, became public figures, as African American and Jewish women noted. Yet, as Mickenberg's collective biography shows, Russia turned out to be as much a grim commune as a utopia of freedom, replete with economic, social, and sexual inequities. *American Girls in Red Russia* recounts the experiences of women who saved starving children from the Russian famine, worked on rural communes in Siberia, wrote for Moscow or New York newspapers, or performed on Soviet stages. Mickenberg finally tells these forgotten stories, full of hope and grave disappointments. *Herakleides* Lorelei Hilda Corcoran, Marie Svoboda, 2010 *Herakleides* was a young man who lived and died in Roman Egypt almost 2000 years ago. This multidisciplinary study of his mummy highlights the funerary practices and religious beliefs of his world. *Yucatán* David Sterling, 2014-03-30 Winner James Beard Foundation Best Cookbook of the Year Award 2015 James Beard Foundation Best International Cookbook Award 2015 The Art of Eating Prize for Best Food

Book of the Year 2015 The Yucatán Peninsula is home to one of the world's great regional cuisines. With a foundation of native Maya dishes made from fresh local ingredients, it shares much of the same pantry of ingredients and many culinary practices with the rest of Mexico. Yet due to its isolated peninsular location, it was also in a unique position to absorb the foods and flavors of such far-flung regions as Spain and Portugal, France, Holland, Lebanon, and the Levant, Cuba, and the Caribbean, and Africa. In recent years, gourmet magazines and celebrity chefs have popularized certain Yucatecan dishes and ingredients such as *Sopa de lima* and *achiote*, and global gastronomes have made the pilgrimage to Yucatán to tantalize their taste buds with smoky pit barbecues, citrus-based pickles, and fiery chiles. But until now, the full depth and richness of this cuisine has remained little understood beyond Yucatán's borders. An internationally recognized authority on Yucatecan cuisine, chef David Sterling takes you on a gastronomic tour of the peninsula in this unique cookbook, *Yucatán Recipes from a Culinary Expedition*. Presenting the food in the places where it's savored, Sterling begins in jungle towns where Mayas concoct age-old recipes with a few simple ingredients they grow themselves. He travels over a thousand miles along the broad Yucatán coast to sample a bounty of seafood, shares the people's food at bakeries, *chicharronerías*, street vendors, home restaurants, and cantinas, and highlights the cooking of the peninsula's three largest cities: Campeche, Mérida, and Valladolid, as well as a variety of pueblos noted for signature dishes. Throughout the journey, Sterling serves up over 275 authentic, thoroughly tested recipes that will appeal to both novice and professional cooks. He also discusses pantry staples and basic cooking techniques and offers substitutions for local ingredients that may be hard to find elsewhere. Profusely illustrated and spiced with lively stories of the region's people and places, *Yucatán Recipes from a Culinary Expedition* is the long-awaited definitive work on this distinctive cuisine.

When somebody should go to the books stores, search start by shop, shelf by shelf, it is in point of fact problematic. This is why we give the books compilations in this website. It will completely ease you to see guide **Wrapped In Red** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly.
