Writing Autobiography Template For Kids:

Creating Kind and Compassionate Kids Deborah S. Delisle, James Delisle, 2021-09-03 Creating Kind and Compassionate Kids offers lessons and activities that promote problem solving and social emotional learning allowing students in grades 3-6 to become more aware of themselves and others who share their world Each lesson Addresses both cognitive and affective skills enhancing students appreciation of themselves and others Encourages students to think creatively and critically Teaches vital affective skills such as empathy tolerance compassion communication and leadership Includes one or more samples of student work to guide students responses Has been tested by teachers in multiple classrooms with students of all ability levels With its focus on relevant lasting learning experiences that encourage social and emotional growth Creating Kind and Compassionate Kids is a resource that teachers will turn to again and again Grades 3-6

The Great Expectations School Dan Brown, 2011-09-01 At the age of twenty two Dan Brown came to P S 85 as an eager fresh faced teacher He was even as signed his own class 4-217 Unbeknownst to him 4-217 was the designated dumping ground for all fourth grade problem cases and his students would prove to be more challenging than he could have ever anticipated Intent on being a caring dedicated teacher but confronted with unruly children absent parents and a failing administration Dan was pushed to the limit time and again he found himself screaming with rage punching his fist through a blackboard out of sheer frustration often just wanting to give up and walk away Yet in this seeming chaos he slowly learned from the more seasoned teachers at the school and from his own mistakes how to discipline teach and make a difference The Great Expectations School is the touching story of Class 4-217 and their teacher Mr Brown But more than that it is the revealing story of a broken educational system and all those struggling within and fighting against it

The Wonder of it All Nancy Jane Johnson, Cyndi Giorgis, 2007 The authors describe how K-8 teachers can utilize the power of children's literature to guide inform and inspire students They provide strategies for how to integrate literature throughout the school day to build community promote inquiry and create readers and writers Recommended books grouped by specific classroom goals are included

Parenting/Internet/Kids: Domesticating Technologies Fiona Joy Green, Jaqueline McLeod Rogers, 2022-07-07 Parenting Internet Kids with three key terms slashed together conveys the idea that the practice of parenting may extend both to the Internet and to our children to the extent that both require attention care and forms of regulation and in turn provide support and enjoyment While the triadic title is somewhat playful it also strikes a serious note and introduces layered possibilities we are not simply raising children who have grown up in the internet age but also Domesticating Technologies by managing the computer relatively young in age too having established itself in homes in the 1980s Including perspectives from scholars and parents living in Australia Canada India Japan the UK and the USA the collection examines how the intimate presence of computer technology in our homes and on our bodies affects not only mothers and parenting but family life more broadly
