*A Guide To The Top 100 Companies In China* Wenxian Zhang, Ilan Alon, 2010-03-22 Under the label of the socialist market economy with Chinese characteristics the Chinese Government has made a firm commitment to economic reform though still retaining tight political control. Thus under conditions of liberal economic systems and autocratic rule a new capitalist system is emerging in China. Its top companies are managed by private entrepreneurs, government bodies, or a combination of both. This book presented in an easily accessible format fills an important gap in the growing literature on China in the global economy and provides a research reference tool on China's top companies. It offers a comprehensive directory listing of the Top 100 corporations in China thus enhancing the research potential on China for students, researchers, and businesses. As a general reference guide to the Chinese economy *A Guide to the Top 100 Companies in China* provides up to date and comprehensive coverage of the top Chinese enterprises. Corporations from Hong Kong and Taiwan that conduct significant business in China are also included.
