Tate,2003-03-05 What could be more frustrating for teachers than teaching an important lesson

and then having students unable to recall the content just 24 hours later

Worksheets Don't Grow Dendrites contains 20 brain compatible instructional strategies which maximize memory and minimize forgetting. The knowledge base for the book incorporates both brain research, multiple intelligences and learning style theory. Marica Tate shows how to raise student achievement through the use of these brain based instructional strategies. Each short chapter follows a user friendly format that covers the What, Defining the Strategy, the Why, Research Rationale, the How, Sample Classroom Activities and Reflection. How Can I Use This Strategy? Using these strategies will not only help students retain content and increase motivation but will also improve the classroom environment. Full of classroom examples in all content areas and all levels that teachers can immediately implement.

Sit. Stand. Go! Kate Titus, 2019-01-10

Help Your Dog Overcome Mobility Challenges Starting Today For some dogs a reduction in physical ability happens quickly. For others it occurs at birth or arrives with advanced age. Yet with the right help and support your dog can still enjoy a full life and his canine independence.

Sit Stand Go: How to help your dog overcome mobility challenges provides the answers you need to jumpstart your dog's mental and physical activity and restore the joy in his life. In *Sit Stand Go* author Kate Titus calls on her years of experience working with mobility challenged dogs to show you how to look at your dog with a fresh perspective, record your observations and present them in a meaningful way to your veterinary team. Kate captures what it means to live with and love a mobility challenged dog. I am so impressed with this book it will be required reading for all my clients.
