and civil rights lawyer who became the 44th president of the United States *Barack Obama's America* John White, 2009-08-04 Research and reflections on the American demographic shift that led to the election of President Barack Obama **Tribute to Barack Obama** Jonathan J. Chawora, 2017-07-21 Jonathan J Chawora an African who is a British resident had never heard of Barack Obama until the junior senator from Illinois campaigned to be the Democratic presidential candidate When Obama clinched the nomination Chawora became intrigued and when Obama delivered his victory speech the morning after the election he could not hold back tears as he heard the U S s first black president pronounce his famous slogan Yes we can His respect only grew after Obama banned the use of torture by American forces sought to shut down Guantanamo Bay Prison and pledged his commitment to fighting terrorism throughout the world Through it all Obama was calm under pressure and served as an example to future leaders Even when he had to respond to Islamic State attacks Brexit the Ukrainian crisis or the Syrian conflict he kept his composure Join the author and examine the lasting legacy of one of the greatest presidents the United States of America has ever had with this book **Looking Back on President Barack Obama's Legacy** Wilbur C. Rich, 2018-12-12 When President Barack Hussein Obama left office January 20 2017 he left a fascinating legacy The Obama Presidency will remain an intriguing part of our nation s political history and we can now say that there were unexpected achievements and failures His tenure was both historical and complex and will inevitably be compared with his predecessors and successors The chapters in this volume are a serious assessment of President Obama s tenure written by a diverse team that includes political scientists sociologists historians and economists They provide critical insights into the man and his policies and more importantly are written in a manner that makes them available to laypersons journalists students and scholars *Barack Obama* John K. Wilson, 2016-01-08 Barack Obama is quickly becoming America s most popular politician and his run for the presidency has brought huge crowds at home and an unprecedented wave of international attention as well Much more than a biography this book is a political tour of Obama s legislative experience as well as his ideas about race religion and politics Political writer John K Wilson author of four previous books including a study of Newt Gingrich explores the reaction Obama has received from the left the right and the media As the first presidential candidate from Generation X Obama has generated an exciting movement of young people to support his campaign as he defines a new kind of broadly popular progressive politics As improbable as such a quest may be this fresh new candidate may be just the right one to bridge not only generations but ideologies that often divide Amid all the hype surrounding Obama this book provides the first in depth look at what he believes what he represents and how he might transform American politics **Barack Obama, the Political Phenomenon** Didier Mumbata Ndongala, The aim of this book is to bring into focus the most exciting and complex presidential campaign which for the first time revealed to the world Barack Hussein Obama as an extraordinary politician This is not a biography of the man who became the 44th President of the United States of America On the contrary this book is the absolutely true story of the most remarkable

leader of the electoral campaign a man whose intellectual and political gifts prevailed and set him apart as a political genius Barack Obama won the presidency even though unfavorable circumstances made him less likely to be president of the United States of America being an African American the son of a non American from Kenya Having a strange name for an American being married to a woman of slave ancestry having served only four years as a United States Senator Imagine that before his speech at the 2004 Democratic convention more than half of all Americans either didn't know him or had never heard of him This book explains explicitly how this African American survived and convinced all the peoples of the world that he was the one they were waiting for and why the American people chose him as President of the United States of America at a crucial moment of the financial crisis despite all the disadvantages that weighed on him Barack Obama has truly shaken up the world With this achievement he has definitely proved that anyone not just rich boys from the upper classes can become president Besides the book *The Political Phenomenon* is the most nuanced account of the most exciting presidential campaign in American history including not only the highlights but also how the campaign became truly dramatic with all the problems conflicts and achievements In general the rest of the world doesn't pay too much attention to the primaries until the two main candidates have emerged But this time it was different From Paris to Kinshasa from Copenhagen to Melbourne people stayed up late already in the beginning of 2008 waiting for the results of the American presidential primary season And finally this book captures the essence of one of the most extraordinary leaders of our time and the process by which he became without any doubt a political phenomenon

Barack Obama Beatrice Gormley, 2015-09-08 Highlights the life and achievements of the Harvard Law School graduate legislator and civil rights lawyer who became the forty fourth president of the United States and describes his accomplishments since taking office in 2009

The Obama Effect Heather E. Harris, Kimberly R. Moffitt, Catherine R. Squires, 2010-09-20 November 4 2008 ushered in a historic moment Illinois Senator Barack Obama was elected the forty fourth President of the United States of America In *The Obama Effect* editors Heather E. Harris Kimberly R. Moffitt and Catherine R. Squires bring together works that place Barack Obama's candidacy and victory in the context of the American experience with race and the media Following Obama's victory optimists claimed that the campaign signaled the arrival of an era of postracism and postfeminism in the United States This collection of essays all presented at a national conference to discuss the meaning and impact of the nomination of the first presidential candidate of African descent remind the reader that reaching a point in U.S. history where a biracial man could be deemed electable is part of a still ongoing struggle It resists the temptation to dismiss the uncertainty hope and fear that characterized the events and discourse of the two year primary and general election cycle and brings together multidisciplinary approaches to assessing the Obama effect on public discourse and participation This volume provides readers with a means for recalling and mapping out the enduring issues that erupted during the campaign issues that will continue to shape how our society views itself and President Obama in the coming years

The Obama Phenomenon Charles P. Henry, Robert Allen, Robert

Chrisman,2011-09-28 Barack Obama's campaign and electoral victory demonstrated the dynamic nature of American democracy This collection shows the impact of the Obama phenomenon on the future of race relations within the United States through readings on Barack Obama's campaign as well as the idealism and pragmatism of the Obama administration

The Roots of Obama's Rage Dinesh D'Souza,2011-10-03 Critics of President Obama have attacked him as a socialist an African American radical a big government liberal But somehow the critics have failed to reveal what's truly driving Barack Obama Now bestselling author Dinesh D Souza throws out these misplaced attacks in his new book *The Roots of Obama's Rage* The reason explains D Souza that Obama appears to be working to destroy America from within is found as Obama himself admits in *The Dreams of His Father* a deeply hostile anti colonialism Instilled in him by his father this worldview has led President Obama to resent America and everything for which we stand Viewing Obama through this anti colonialism prism and drawing evidence from President Obama's own life and writings D Souza masterfully shows how Obama is working to weaken and punish America here and abroad

A YEAR IN MY PAJAMAS WITH PRESIDENT OBAMA, The Politics of Strange Bedfellows , King's Dream: Barack Obama Becomes President of the United States of America Sherry

Hutson,Lynn Lyons,2012-06-01 An election year news diary of the 2008 Democratic primary and general election told through accounts accessed entirely from electronic media The editors reveal a unique dynamic story told by over 500 writers from nearly 200 sources Over 1 200 entries are included in this month by month chronology featuring journalists candidates pollsters pundits bloggers comedians celebrities musicians artists politicians and the people Entries include hard news speeches commentary humor statistics and facts surrounding the 2008 election of Barack Obama A companion website is also available at kingsdream.com

The Presidency of Barack Obama Julian E. Zelizer,2018-03-13 Barack Obama's election as the first African American president seemed to usher in a new era and he took office in 2009 with great expectations But by his second term Republicans controlled Congress and after the 2016 presidential election Obama's legacy and the health of the Democratic Party itself appeared in doubt In *The Presidency of Barack Obama* Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context These writers offer strikingly original assessments of the big issues that shaped the Obama years including the conservative backlash race the financial crisis health care crime drugs counterterrorism Iraq and Afghanistan the environment immigration education gay rights and urban policy Together these essays suggest that Obama's central paradox is that despite effective policymaking he failed to receive credit for his many achievements and wasn't a party builder Provocatively they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter tide as it grew stronger Publisher's description

The Irony of Barack Obama R. Ward Holder,Peter B. Josephson,2016-03-09 Drawing on the political theology of Reinhold Niebuhr described by Barack Obama as one of my favourite philosophers this book assesses the challenges facing the President during his first term It evaluates his success in adhering to Niebuhr's path of Christian realism when faced with the

pragmatic demands of domestic and foreign affairs In 2008 Candidate Obama used the ideas of Hope and Change to inspire voters and secure the presidency Obama promised change not only regarding America's policies but even more fundamentally in the nation's political culture Holder and Josephson describe the foundations of President Obama's Christian faith and the extent to which it has shaped his approach to politics Their book explores Obama's journey of faith in the context of a broadly Augustinian understanding of faith and politics examines the tensions between Christian realism and pragmatic progressivism explains why a Christian realist interpretation is essential to understanding Obama's presidency and applies this model of understanding to considerations of foreign and domestic policy By combining this theological and political analysis the book offers a special opportunity to reflect on the relationship between Christian faith and statesmanship reflections that are missing from current popular discussions of the Obama presidency Through consideration of Niebuhr's models of the prophet and the statesman and the more popular alternative of the political evangelist Holder and Josephson are better able to explain the president's successes and his failures and to unveil the Augustinian limits of the political life

Barack Obama's Promised Land Jack Cashill, 2021-07-06 In his introduction to the world at the 2004 Democratic National Convention then state senator Barack Obama insisted There is not a liberal America and a conservative America there is the United States of America There is not a Black America and a White America and Latino America and Asian America there's the United States of America But as his latest memoir *A Promised Land* makes clear Obama inhabits a smug elite liberal America in which conservatives are not welcome Indeed from Obama's perspective their every thought gesture and vote is insincere and likely racist Although the Obama memoir is obsessed with race Obama as president and as writer has refused to address the one problem he knew to be at the heart of America's racial divide the disintegration of the black family While Obama and his peers have profited from the opportunities America offers his lack of courage has doomed the black inner city to another generation of crime drugs and educational failure To divert attention from his own failure Obama has cast the right as the other in his ongoing melodrama driving a wedge between black and white that will take generations to heal

Five Leadership Theories Applied in Barack Obama's First 100 Days as President Eric Coggins, 2009-07-03 Research Paper postgraduate from the year 2009 in the subject Politics Region USA grade A Regent University School of Global Leadership Entrepreneurship Regent University School of Global Leadership Entrepreneurship language English abstract In his acceptance speech delivered in Chicago's Grant Park newly chosen President elect Barack Hussein Obama threw down the gauntlet and declared A new dawn of American leadership is at hand DeFrank 2008 Indeed the unprecedented election of Barack Obama as the 44th President of the United States of America was met with historically high expectations Ruggeri 2009 In his first 100 days in office Obama attempted to fulfill those expectations Ghattas 2009 wrote The breadth of issues he has tackled in this short time is unprecedented prompting former Secretary of State Henry Kissinger to write recently in the Washington Post that the possibility of comprehensive solutions is unprecedented There is

no guarantee that any of it will lead to success over the next four years but the new administration is aiming high As the new president engaged a large breadth of issues he had to exercise a broad range of leadership theories and exercises This paper examines five of leadership models he demonstrated in his first 100 years in office **The Making of Barack Obama** Matthew Abraham,Erec Smith,2013-10-01 The Making of Barack Obama The Politics of Persuasion provides the first comprehensive treatment of why Obama s rhetorical strategies were so effective during the 2008 presidential campaign during the first four years of his presidency and once again during the 2012 presidential campaign
