Topic: History | Words: 879 Pages: 3

The period of the American Revolution was marked by great transformations in the social and political consciousness of states. The colonies under British rule were constantly dependent upon the British monarchy and rules by British laws. They were weak both economically and politically governed by British governors. These periods had a great impact on the national identity of nations and their unity, self-determination and state sovereignty. The revolutions can be characterized as one of the milestone events in American history which led to the formation of the state and the nation. The French/ Indian war marked a new era in relations between the Old and New world caused by territory confrontations and occupation of Canada by British troops. The historical significance of the revolutions is that they opened new opportunities for the American people to fight for personal freedom and liberty, independence and self-governance. Thesis Revolution was a revolutionary event because it led to a new social, political and economic landscape in America.

The revolutions and struggle with the conservative and monarchical tradition show that it is the duty of nations to recognize the right of expatriation to under-populated areas richly endowed with resources. This concept derives from natural laws of which mankind are rational observers and agents. The social order should be regulated by "fixed laws" which make the entire scene one of "order and proportion." The second condition leading to minority rule occurs, when one-third of the population who choose rulers becomes a majority by the "accession" of those whose poverty excludes them from the right to vote and for this

The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
