

wide open

DEBORAH COATES

"Wide Open is a good read—full of sound and fury, ghosts and fire.

A tough, tenacious heroine who relies on guts and brains rather than awesome comic superpowers. I loved it."

—Patricia Briggs, New York Times bestselling author of *River Marked*

Wide Open Wide Open 1 Deborah Coates

Judd E. Hollander

Wide Open Wide Open 1 Deborah Coates:

Wide Open Deborah Coates, 2012-03-13 *Wide Open* by Deborah Coates is the first book in a series of startlingly original Booklist contemporary fantasy novels set against the sweeping prairies and desolate byways of the American Midwest creating a rural backwater where the normal and paranormal seamlessly merge Publishers Weekly When Sergeant Hallie Michaels comes back to South Dakota from Afghanistan on ten days compassionate leave her sister Dell's ghost is waiting at the airport to greet her The sheriff says that Dell's death was suicide but Hallie doesn't believe it Something happened or Dell's ghost wouldn't still be hanging around Friends and family mourning Dell's loss think Hallie's letting her grief interfere with her judgment The one person who seems willing to listen is the deputy sheriff Boyd Davies who shows up everywhere and helps when he doesn't have to As Hallie asks more questions she attracts new ghosts women who disappeared without a trace Soon someone's trying to beat her up burn down her father's ranch and stop her investigation Hallie's going to need Boyd her friends and all the ghosts she can find to defeat an enemy who has an unimaginable ancient power at his command *Wide Open* has been nominated for the Bram Stoker Award for Superior Achievement in a First Novel appeared on Locus Magazine's Recommended Reading List for first novels and was chosen as a Tor.com Reviewer's Choice Pick for Favorite Book of the year The Magazine of Fantasy Science Fiction claimed that it is one of the best first novels I've read in a long time and Library Journal agrees that fans of urban fantasies should enjoy the kick ass heroine At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Women in Their Speech Communities

Jennifer Coates, Deborah Cameron, 2014-09-19 This collection of essays presents a picture of research on women and language in Britain The contributors cover a range of British speech communities linguistic events and settings using approaches from sociolinguistics and discourse analysis

Opening Doors Wider Sylvia Bashevkin, 2010-01-01 From the days of the fur trade through the contemporary period women have played important roles in the public life of Canada Until the 1970s however these contributions were generally overlooked *Opening Doors Wider* looks at the progress made in the last forty years to raise the profile of women's involvement in public life The contributors focus on two questions with reference to community activism the politics of feminist organizing parties and elections and the communications environment in which politicians operate First are the doors to participation presently open wider than they were in the past Second how can these doors be opened wider both in terms of real world participation and our scholarly understanding of public engagement These tightly argued essays shed new light on the quality of public involvement of women in one of the world's most stable democracies The nuanced discussion of solutions as well as problems makes it an indispensable resource for students and practitioners of politics at all levels

Before Stonewall Vern L Bullough, 2014-02-04 Explore the early history of the gay rights movement In the words of editor Vern L Bullough Although there was no single leader in the gay and lesbian community who achieved the fame and reputation of Martin Luther King there were a large number of activists who

put their careers and reputations on the line It was a motley crew of radicals and reformers drawn together by the cause in spite of personality and philosophical differences Their stories are told in the following pages Before Stonewall Activists for Gay and Lesbian Rights in Historical Context illuminates the lives of the courageous individuals involved in the early struggle for gay and lesbian civil rights in the United States Authored by those who knew them often activists themselves the concise biographies in this volume examine the lives of pre 1969 barrier breakers like Harry Hay Henry Gerber Alfred Kinsey Del Martin Phyllis Lyon Jim Kepner Jack Nichols Christine Jorgensen Jose Sarria Barbara Grier Frank Kameny and 40 more To anyone with an interest in the history of the gay lesbian rights movements in the United States these names will be familiar but did you know that in addition to their groundbreaking activism Prescott Townsend was a Boston Brahman Dorr Legg was a Log Cabin Republican Harry Hay was at one time a member of the Communist party Jim Kepner was a boy preacher Troy Perry was removed from the ministry of his church for homosexuality and then founded the gay friendly Metropolitan Community Church Reed Erickson a transsexual millionaire who gave millions to the cause kept a pet leopard called Henry Barbara Gittings set up a kissing booth at the American Library Association convention and urged attendees to kiss a gay or lesbian Before Stonewall is a perfect ancillary text for any gay lesbian studies course but more to the point no one interested in these heroic figures and the movements they ignited should be without this book which received an honorable mention in the 2004 Stonewall Book Awards

Language and Woman's Place Robin Tolmach Lakoff, 2004 Widely recognized as having inaugurated feminist research on the relationship between gender and language this revised edition includes an introduction and annotations by the author in which she reflects on some of the most widely discussed issues it raises

Analysing Variation in English Warren Maguire, April McMahon, 2011-02-03 Analysing Variation in English brings together a range of perspectives on the collection analysis and broader relevance of variable language data In the first half of the book the focus is firmly on the description and comparison of methods for collecting and analysing examples of variation in language Novel quantitative and computational methods are introduced and exemplified alongside more traditional approaches The innovative second half of the book establishes and tests the relevance of language variation to other aspects of linguistics such as language change and to other disciplines such as law and education Each chapter concludes with a Where next section providing guidance on further reading but also pointers to under researched areas designed to help identify good topics for projects and dissertations Designed to be used by students as well as researchers the book will be welcomed by those working in English language and linguistics sociolinguistics or language change

History of Chester County, Pennsylvania J. Smith Futhey, Gilbert Cope, 1881

Building Community George Manning, 1996 Devoted to those who recognize that the human side of work has been lost after a decade of downsizing restructuring and reengineering the authors show how to develop a community of people who communicate well treat one another with dignity and benefit from their diversity

Computational Rheology Robert G Owens, Timothy N

Phillips,2002-05-29 Modern day high performance computers are making available to 21st century scientists solutions to rheological flow problems of ever increasing complexity Computational rheology is a fast moving subject problems which only 10 years ago were intractable such as 3D transient flows of polymeric liquids non isothermal non Newtonian flows or flows of highly elastic liquids through complex geometries are now being tackled owing to the availability of parallel computers adaptive methods and advances in constitutive modelling Computational Rheology traces the development of numerical methods for non Newtonian flows from the late 1960 s to the present day It begins with broad coverage of non Newtonian fluids including their mathematical modelling and analysis before specific computational techniques are discussed The application of these techniques to some important rheological flow problems of academic and industrial interest is then treated in a detailed and up to date exposition Finally the reader is kept abreast of topics at the cutting edge of research in computational applied mathematics such as adaptivity and stochastic partial differential equations All the topics in this book are dealt with from an elementary level and this makes the text suitable for advanced undergraduate and graduate students as well as experienced researchers from both the academic and industrial communities The Historical Antiquities of Hertfordshire Sir Henry Chauncy,1700 **Legal Intelligencer** ,1858 *Theatre in Dublin, 1745-1820* John C.

Greene,2011-11-16 *Theatre in Dublin 1745 1820 A Calendar of Performances* is the first comprehensive daily compendium of more than 18 000 performances that took place in Dublin s many professional theatres music halls pleasure gardens and circus amphitheatres between Thomas Sheridan s becoming the manager at Smock Alley Theatre in 1745 and the dissolution of the Crow Street Theatre in 1820 The daily performance calendar for each of the seventy five seasons recorded here records and organizes all surviving documentary evidence pertinent to each evening s entertainments derived from all known sources but especially from playbills and newspaper advertisements Each theatre s daily entry includes all preludes mainpieces interludes and afterpieces with casts and assigned roles followed by singing and singers dancing and dancers and specialty entertainments Financial data program changes rehearsal notices authorship and premiere information are included in each component s entry as is the text of contemporary correspondence and editorial contextualization and commentary followed by other additional commentary such as the many hundreds of printed puffs notices and performance reviews In the cases of the programs of music halls pleasure gardens and circuses the playbills have generally been transcribed verbatim The calendar for each season is preceded by an analytical headnote that presents several categories of information including among other things an alphabetical listing of all members of each company whether actors musicians specialty artists or house servants who are known to have been employed at each venue Limited biographical commentary is included particularly about performers of Irish origin who had significant stage careers but who did not perform in London Each headnote presents the seasons s offerings of entertainments of each theatrical type prelude mainpiece interlude afterpiece analyzed according to genre including a list of the number of plays in each genre and according to period in which

they were first performed The headnote also notes the number of different plays by Shakespeare staged during each season and gives particular attention to entertainments of special Irish interest The various kinds of benefit performance and command performances are also noted Finally this Calendar of Performances contains an appendix that furnishes a season by season listing of the plays that were new to the London patent theatres and later of the important minors This information is provided in order for us to understand the interrelatedness of the London and Dublin repertories Bibliography and Index of the Geology and Mineral Resources of Washington, 1963-1980 Connie Manson,Debbie Burnetti,1983 **The Exhibitor** ,1947 Some issues include separately paged sections Better management Physical theatre extra profits Review Servisection
