Widow S Walk A Memoir:

A Widow's Walk Marian Fontana,2011-12-13 On September 11 I dropped my son off at his second full day of kindergarten The sky was so blue it looked as if it had been ironed I crossed the street ordered coffee and sat to wait for my husband to meet me It was our eighth wedding anniversary and Dave and I were about to begin a new chapter in our seventeen years together Sipping coffee I watched as a line of thick black smoke crept across the sky from Manhattan oblivious to the fact that my life was about to change forever On September 11 2001 Marian Fontana lost her husband Dave a firefighter from the elite Squad 1 in Brooklyn in the World Trade Center attack A Widow s Walk begins that fateful morning when Marian a playwright and comedienne became a widow a single mother and an unlikely activist Two weeks after 9 11 the city attempted to close Squad 1 which had suffered the loss of twelve men Known for her feisty spirit and passionate loyalty Marian who was still reeling from her profound loss began to mobilize the neighborhood to keep the firehouse open From this unlikely platform the 9 11 Widows and Victims Families Association grew Over the next twelve months Marian struggled with the tragedy s endless ripple effects from the minute and deeply personal she wonders who will play Star Wars with her son Aidan and carry him on his shoulders to the collective she works to get families and widows necessary information about the recovery effort and attends private meetings with Governor Pataki Mayor Giuliani Senator Clinton and Mayor Bloomberg Through it all Marian s irrepressible humor is her best armor as well as evidence of her buoyant strength Written with great heart and humanity A Widow s Walk is a timely opportunity for remembrance and a timeless testament to love s loss and the resilience of the human spirit **Widow's Walk** Phyllis Ham,2014-10-20 Life is what happens when you are busy making other plans John Lennon A 35 year old housewife and mother of four is suddenly ripped from her ordinary life into a bit of chaos after her husband and high school sweetheart dies from pancreatic cancer This tale is told with flashbacks to high school days wedding and babies while retelling the sudden painful experience of losing someone dearly loved Life does go on but dark and some humorous events fill her life **Widow's Walk** Anne Hosansky,1995-05 A memoir of one woman s spiritual and emotional journey following the loss of her husband of 39 years to cancer Without self pity or blame Widow s Walk is at once a love story and a continuing life story an inspirational account of an ending that becomes a new beginning A Widow's Walk Marian Fontana,2006-09-11 Fontana president of the 9 11 Widows and Victims Family Association pens a moving lyrical and profoundly funny memoir of a year in the life of a firefighter wife widowed in the 9 11 attacks Widow's Walk Jane Willan,2025-10-21 In the small coastal town of Sparrow Maine tradition runs deep and change is rarely welcome When Reverend Miranda McCurdy becomes the new parish priest at St Gabriel by the Sea she s determined to make a difference in her small community But her eagerness to make the church more progressive stirs up a hornet s nest with members of the Thanksgiving committee who don t want to give up their long tradition of dressing like Pilgrims and Indians and when a young pregnant Honduran woman seeks sanctuary at St Gabe s the congregation s response

is not what she'd hoped Juggling the demands of her congregation with her own solitude as a young widow it's hard to know if her calling to serve the church was real When she's faced with a vote of no confidence followed by an offer from her former employer to head up a new upscale restaurant in Seattle she has an easy way out but can she walk away A lost dog and a handsome stranger only complicate matters **Unremarried Widow** Artis Henderson,2015-01-13 A journalist and essayist traces the difficult process of picking up the pieces of her life after it was shattered by the death of her husband a Texan soldier whose Apache helicopter crashed in Iraq His death mirrored the death of her own father in a military plane crash when she was five leaving her own mother a young widow **On Your Own** Alexandra Armstrong,Mary R. Donahue,2006-09 This book's combination of sound financial planning advice and psychological therapy can help widows and widowers in all situations take charge of their lives and forge ahead The resource is filled with such practical strategies as selecting a retirement home choosing the best insurance and using a living trust to secure an estate **Who Owns the Dead?** Jay D. Aronson,2016-09-06 After September 11 with New Yorkers reeling from the World Trade Center attack Chief Medical Examiner Charles Hirsch proclaimed that his staff would do more than confirm the identity of the individuals who were killed They would attempt to identify and return to families every human body part recovered from the site that was larger than a thumbnail As Jay D Aronson shows delivering on that promise proved to be a monumentally difficult task Only 293 bodies were found intact The rest would be painstakingly collected in 21 900 bits and pieces scattered throughout the skyscrapers debris This massive effort the most costly forensic investigation in U S history was intended to provide families conclusive knowledge about the deaths of loved ones But it was also undertaken to demonstrate that Americans were dramatically different from the terrorists who so callously disregarded the value of human life Bringing a new perspective to the worst terrorist attack in U S history Who Owns the Dead tells the story of the recovery identification and memorialization of the 2 753 people killed in Manhattan on 9 11 For a host of cultural and political reasons that Aronson unpacks this process has generated endless debate from contestation of the commercial redevelopment of the site to lingering controversies over the storage of unclaimed remains at the National 9 11 Memorial and Museum The memory of the victims has also been used to justify military activities in the Middle East that have led to the deaths of an untold number of innocent civilians **The Bay of the Mother of God** George R. Helmreich,2015-08-25 As a kid growing up in Manhattan William Helmreich played a game with his father they called Last Stop They would pick a subway line and ride it to its final destination and explore the neighborhood there Decades later Helmreich teaches university courses about New York and his love for exploring the city is as strong as ever Putting his feet to the test he decided that the only way to truly understand New York was to walk virtually every block of all five boroughs an astonishing 6 000 miles His epic journey lasted four years and took him to every corner of Manhattan Brooklyn Queens the Bronx and Staten Island Helmreich spoke with hundreds of New Yorkers from every part of the globe and from every walk of life including Mayor Michael Bloomberg and former mayors Rudolph Giuliani David Dinkins and Edward Koch Their stories and his are the subject of this captivating and highly original book We meet the Guyanese immigrant who grows beautiful flowers outside his modest Queens residence in order to always remember the homeland he left behind the Brooklyn raised grandchild of Italian immigrants who illuminates a window of his brownstone with the family s old neon grocery store sign and many many others Helmreich draws on firsthand insights to examine essential aspects of urban social life such as ethnicity gentrification and the use of space He finds that to be a New Yorker is to struggle to understand the place and to make a life that is as highly local as it is dynamically cosmopolitan Publisher s description [Catalog of](#)
