Wild Book Pacific Crest Trail:

Wild Cheryl Strayed, 2012-05-01 Selected to be read on Radio Four's Book of the Week One of the best books I've read in the last five or ten years Wild is angry brave sad self knowing redemptive raw compelling and brilliantly written and I think it is destined to be loved by a lot of people men and women for a very long time Nick Hornby At twenty six Cheryl Strayed thought she had lost everything In the wake of her mother's rapid death from cancer her family disbanded and her marriage crumbled With nothing to lose she made the most impulsive decision of her life to walk eleven hundred miles of the west coast of America from the Mojave Desert through California and Oregon and into Washington state and to do it alone She had no experience of long distance hiking and the journey was nothing more than a line on a map But it held a promise a promise of piecing together a life that lay in ruins at her feet Strayed's account captures the agonies both mental and physical of her incredible journey how it maddened and terrified her and how ultimately it healed her Wild is a brutal memoir of survival grief and redemption a searing portrayal of life at its lowest ebb and at its highest tide *Wild from Lost to Found on the Pacific Crest Trail*, 2004

Wild Quick Read, 2015-09-25 The book tells the story of Cheryl Strayed and the trials she'd undergone ever since her mother Bobbi was diagnosed with cancer when Cheryl was just 22 In the book she recalls aspects in her life that had led her to take the Pacific Crest Trail and the various people she'd met along the way She had received so much kindness throughout the journey and had grown over the past few months on the trip with realizations that were captivating because of the reality they'd stemmed from Wild From Lost to Found on the Pacific Crest Trail tells such a wonderful story of how she'd overcome terrible parts of her life in order to live her life happily in the present Sorrow is a heavy theme in the book but so is healing as well as change A lot of people go through so much pain in their lives that some find no way out of their personal struggle Cheryl Strayed had suffered immensely and had made terrible mistakes because of it But in the end she has taught her readers that we can't regret what we've done but rather learn from it and do better when the next time the opportunity arises **DISCLAIMER** This is an unofficial summary analysis and NOT the original book **Wild**
