The Prospect of Cities John Friedmann,2002 **Shanghai** Stephen Grace,2010-07-16 Shanghai is the most modern and dynamic city in China In preparation for hosting the World Expo 2010 a World s Fair in the grand tradition of international fairs and expositions the megalopolis embarked on an overhaul to transform itself from the Pearl of the Orient into the City of the Future Here the world s tallest buildings soar the planet s longest bridges span toxic waterways and the fastest train on earth rockets the city from its storied past toward a future that seems by turns either as bright or as hideous as the lights that set the hazy sky aglow each night At a time when interest in China has seen a sharp increase that shows no signs of abating Shanghai places China s development and its effects on the world into context by explaining how the country arrived where it is today and why it is building massive infrastructure projects with tremendous social and environmental impact Shanghai provides an intimate look inside a mega city heaving with change and offers essential insight into the challenges of remaining human in an increasingly urbanized world

Scars of War Diana Lary,Stephen MacKinnon,2011-11-01 Throughout its modern history China has suffered from immense destruction and loss of life from warfare In its worst periods of warfare the eight years of the Anti Japanese War 1937 45 millions of civilians lost their lives For China the story of modern war related death and suffering has remained hidden The Rape of Nanking is beginning to be known but hundreds of other massacres are still unrecognized by the outside world and even by China itself The focus of *The Scars of War* is the social and psychological not the economic costs of war on the country The book is illustrated with contemporary photographs and woodblock prints Each chapter is introduced by a traditional Chinese saying cheng yu on warfare

Fly, Wild Swans Jung Chang,2025-09-16 THE LONG AWAITED SEQUEL TO WILD SWANS THE MULTI MILLION COPY INTERNATIONAL BESTSELLING SENSATION Jung Chang s *Wild Swans* was a book that defined a generation the story of three daughters of China Jung her mother and her grandmother and their lives during a century of revolution *Fly Wild Swans* is quite simply what happened next Jung Chang arrived in the UK in 1978 aged 26 part of a Chinese scholarship programme for study abroad Finding herself in the London of punk political protests and Ziggy Stardust she felt as if she d landed on the moon She and her fellow students had all grown up in complete isolation from the west living in fear as to what might happen if they broke any of the strict rules imposed upon them by their government It was an invaluable opportunity but came at a cost of long term separation from her mother and family in China As Jung began to

adjust to life in the West she warmed to the fashion scene rebelled and thrived Her studies took off and she became the first person from the People's Republic of China to be awarded a doctorate from a British university *Fly Wild Swans* is in many ways Jung's love letter to her mother set against China's development from the relative freedoms of the late 1970s and untrammelled capitalism of the 1990s to the current authoritarian repressive rule of Xi Jinping With vivid flashbacks to her family's experience in communist China the book offers an extraordinary account of Jung's research into the genocidal regime of Mao Tse Tung the many fictions she uncovered and the political consequences of publishing her subsequent biography As Jung becomes a successful academic and writer in the West *Fly Wild Swans* demonstrates how much she relies on her mother still living in China and the painful years in which politics has prevented them meeting Through the arc of their respective lives she gives an immersive deeply moving and unforgettable account of what it is like to live in a communist dictatorship and the threats modern China poses to the international world order It is family history at its best
