Wilhelm Meister's Apprenticeship Johann von Goethe, 2015-09-24 Wilhelm Meister's Apprenticeship and Travels Translated from the German of Johann Wolfgang von Goethe By Thomas Carlyle Wilhelm Meister's Apprenticeship German Wilhelm Meisters Lehrjahre is the second novel by Johann Wolfgang von Goethe published in 1795 96 The eponymous hero undergoes a journey of self realization The story centers upon Wilhelm's attempt to escape what he views as the empty life of a bourgeois businessman After a failed romance with the theater Wilhelm commits himself to the mysterious Tower Society These two translations Meister's Apprenticeship and Meister's Travels have long been out of print but never altogether out of demand nay it would seem the originally somewhat moderate demand has gone on increasing and continues to increase They are therefore here republished and the one being in some sort a sequel to the other though in rather unexpected sort they are now printed together The English version of Meister's Travels has been extracted or extricated from a compilation of very various quality named German Romance and placed by the side of the Apprenticeship its forerunner which in the translated as in the original state appeared hitherto as a separate work In the Apprenticeship the first of these translations which was executed some fifteen years ago under questionable auspices I have made many little changes but could not unfortunately change it into a right translation it hung in many places stiff and labored too like some unfortunate buckram cloak round the light harmonious movement of the original and alas still hangs so here and there and may now hang In the second translation Meister's Travels two years later in date I have changed little or nothing I might have added much for the original since that time was as it were taken to pieces by the author himself in his last years and constructed anew and in the final edition of his works appears with multifarious intercalations giving a great expansion both of size and of scope Not pedagogy only and

husbandry and art and religion and human conduct in the nineteenth century but geology astronomy cotton spinning metallurgy anatomical lecturing and much else are typically shadowed forth in this second form of the Travels which however continues a fragment like the first significantly pointing on all hands towards infinitude not more complete than the first was or indeed perhaps less so It will well reward the trustful student of Goethe to read this new form of the Travels and see how in that great mind beaming in mildest mellow splendor beaming if also trembling like a great sun on the verge of the horizon near now to its long farewell all these things were illuminated and illustrated but for the mere English reader there are probably in our prior edition of the Travels already novelties enough for us at all events it seemed unadvisable to meddle with it further at present *Wilhelm Meister's Apprenticeship and Travels* Johann Wolfgang von Goethe, 2020-09-28 The play was late in breaking up old Barbara went more than once to the window and listened for the sound of carriages She was waiting for Mariana her pretty mistress who had that night in the afterpiece been acting the part of a young officer to the no small delight of the public Barbara's impatience was greater than it used to be when she had nothing but a frugal supper to present on this occasion Mariana was to be surprised with a packet which Norberg a young and wealthy merchant had sent by the post to show that in absence he still thought of his love As an old servant as confidant counsellor manager and housekeeper Barbara assumed the privilege of opening seals and this evening she had the less been able to restrain her curiosity as the favor of the open handed gallant was more a matter of anxiety with herself than with her mistress On breaking up the packet she had found with unfeigned satisfaction that it held a piece of fine muslin and some ribbons of the newest fashion for Mariana with a quantity of calico two or three neckerchiefs and a moderate rouleau of money for herself Her esteem for the absent Norberg was of course unbounded she meditated only how she might best present him to the mind of Mariana best bring to her recollection what she owed him and what he had a right to expect from her fidelity and thankfulness The muslin with the ribbons half unrolled to set it off by their colors lay like a Christmas present on the small table the position of the lights increased the glitter of the gilt all was in order when the old woman heard Mariana's step on the stairs and hastened to meet her But what was her disappointment when the little female officer without deigning to regard her caresses rushed past her with unusual speed and agitation threw her hat and sword upon the table and walked hastily up and down bestowing not a look on the lights or any portion of the apparatus **Wilhelm Meister's**

Apprenticeship and Travels Johann Wolfgang von Goethe, 1885 *Wilhelm Meister's Years of Apprenticeship* Johann Wolfgang von Goethe, 1977 *Wilhelm Meister (Book 1&2)* Johann Wolfgang von Goethe, 2023-11-08 In Wilhelm Meister's Apprenticeship Johann Wolfgang von Goethe masterfully intertwines a semi biographical narrative with the bildungsroman tradition exploring the journey of young Wilhelm Meister as he grapples with self discovery and the pursuit of artistic fulfillment Goethe employs a rich lyrical prose style that evokes the emotional complexities of the characters while engaging with the philosophical ideas prevalent during the Sturm und Drang movement and the early Romantic period This multi

layered work delves into themes of education personal growth and the interplay of societal expectations versus individual aspirations reflecting the tensions of an evolving Germany during the late 18th century Goethe a polymath of the German literary scene drew upon his own diverse experiences in the arts politics and personal relationships to craft a narrative that is deeply reflective of the human condition His exploration of the interplay between the personal and the artistic journey is indicative of his own life marked by a constant quest for meaning beyond mere societal conventions Through these autobiographical parallels Goethe positions himself as both a mentor and a seeker engaged in the universal struggle of finding one's place in the world Wilhelm Meister is highly recommended for readers interested in the intricate dynamics of personal evolution and the artistic spirit Its philosophical insights and lyrical beauty invite readers to reflect deeply upon their own paths making this novel not only a significant literary work but also a timeless exploration of selfhood Whether one is a newcomer to Goethe or fully immersed in his legacy this book serves as a compelling entry point into the depths of human experience

Goethe's Wilhelm Meister's Apprenticeship and Philosophy Sarah V. Eldridge, Allen Speight, 2020-06-01 In the decades after its publication Goethe's Wilhelm Meister's Apprenticeship served as a touchstone for such major philosophical and literary figures as Schopenhauer Schleiermacher and Schlegel and was widely understood to be one of the greatest novels of the German canon But in the decades and centuries following the attention it has received in both disciplines has diminished in comparison to either Goethe's Sorrows of Young Werther or his Elective Affinities This volume follows the impetus of its early respondents to examine deeply what exactly Goethe's long and complicated novel is doing and how it engages with problems and themes of human life An interdisciplinary group of eminent scholars grapple with the novel's engagement with central philosophical questions such as individuality development and authority aesthetic

formation and narrative and human contingency and gender sexuality and marriage That these questions and their working through in Wilhelm Meisters Lehrjahre are in tension with one another speaks ultimately to how literature explores philosophical questions in ways that are open ended creative and contain potential for new and different solutions to living with them This unique philosophical approach to the form and purpose of a literary masterpiece illuminates new inroads into a novel at once famously complex and influential and into the projects of one Germany's greatest writers Wilhelm Meister's Apprenticeship and Travels; Volume 1 Johann Wolfgang Von Goethe,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Wilhelm Meister's Apprenticeship and Travels** Henry Duff Traill,Johann Wolfgang Von Goethe,Silas White,2015-09-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Wilhelm Meister's Apprenticeship and Travels; Volume 2** Johann Wolfgang von Goethe,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Wilhelm Meister's Apprenticeship** Johann Wolfgang von Goethe,1889 **Wilhelm Meister's Apprenticeship: A Novel; Volume 1** Johann Wolfgang von Goethe,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know
