Shannon Jackson,2000 Applies the interdisciplinary insights of performance studies to the life of Chicago s Hull House settlement **Ideas of Good and Evil** W. B. Yeats,2016-01-11 WHAT IS POPULAR POETRY I think it was a Young Ireland Society that set my mind running on popular poetry We used to discuss everything that was known to us about Ireland and especially Irish literature and Irish history We had no Gaelic but paid great honour to the Irish poets who wrote in English and quoted them in our speeches I could have told you at that time the dates of the birth and death and quoted the chief poems of men whose names you have not heard and perhaps of some whose names I have forgotten I knew in my heart that the most of them wrote badly and yet such romance clung about them such a desire for Irish poetry was in all our minds that I kept on saying not only to others but to myself that most of them wrote well or all but well I had read Shelley and Spenser and had tried to mix their styles together in a pastoral play which I have not come to dislike much and yet I do not think Shelley or Spenser ever moved me as did these poets I thought one day I can remember the very day when I thought it If somebody could make a style which would not be an English style and yet would be musical and full of colour many others would catch fire from him and we would have a really great school of ballad poetry in Ireland If these poets who have never ceased to fill the newspapers and the ballad books with their verses had a good tradition they would write beautifully and move everybody as they move me Then a little later on I thought If they had something else to write about besides political opinions if more of them would write about the beliefs of the people like Allingham or about old legends like Ferguson they would find it easier to get a style Then with a deliberateness that still surprises me for in my heart of hearts I have never been quite certain that one should be more than an artist that even patriotism is more than an impure desire in an artist I set to work to find a style and things to write about that the ballad writers might be the better **Influencing Early**
