departing to dreamland Granted it could be another playwriter or even a regular book All I need really are small chapters that I can finish quickly when slumber's tentacles start to wrap my body and their calming effects slowly soothe my mind But it's been Shakespeare and any insomniac who's recently found a new drug isn't willing to give it up that easily So Shakespeare stays I've recently finished Hamlet and King Lear and rated them 5 stars for I truly considered them nothing short of amazing plays but I confess so much has been written about them not only in amazing reviews but also in other literary classics that I'm not sure I have much to add Plus while I enjoy writing my usual ramblings about books I just finished
