A. Torrey, 2007-10-01 Moody Publishers is honored to introduce the first six volumes in what is to be an ongoing series of spiritual classics Selected for their enduring influence and timeless perspective these new editions promise to shape the lives of spiritual pilgrims for generations to come This 6 book set includes the following Moody Classic Series titles Answers to Prayer The Confessions of St Augustine How To Pray The Imitation of Christ The Pilgrim's Progress The True Vine **Being the Church** Edward Rommen, 2017-07-18 If the divine liturgy really is as beautiful as we claim wouldn't more people attend Wouldn't the church grow Driven by our desire for growth we count we analyze we make charts and we strategize but often with few discernible results That is probably the result of focusing on secondary aspects of church life As we know the very existence of a church is a gift of God's presence and not the result of any particular actions taken by human beings For that reason church is primarily about being something rather than doing or achieving something So the growth of the church is not reflected in ever increasing numbers dollars and activities but rather in steadily growing conformity to the divine ideal So in order to evaluate ecclesial growth we will first have to ask what the church is supposed to be One answer to that question is captured in the four marks of the church given in the creed Oneness Holiness Catholicity and Apostolicity These four characteristics serve as a matrix or framework within which we can focus on the primary aspects of ecclesial being and help it grow and become what it was intended to be

This series of five books covers Edwards life and major writings opening an accessible window into the heart and mind of the man credited for starting the First Great Awakening By way of introduction presentation and reflection the authors unearth the choicest treasures of Edwards writings for lay people to discover Eminently readable and understandable The Essential Edwards Collection proves you do not need to be a scholar to enjoy and benefit from the writings and life of Jonathan Edwards

Wisdom and the Renewal of Catholic Theology Thomas P. Harmon, Roger W. Nutt, 2016-10-20 For more than fifty years Fr Matthew L Lamb has been one of the major figures in American Catholic theology through his writing teaching and involvement in scholarly societies Over a decade ago Fr Lamb moved from the Department of Theology at Boston College to develop the graduate programs in theology at Ave Maria University in response to what he identified as the widespread decline in theological education Twelve years into their operation the graduate programs in theology have begun to produce junior scholars who have attained appointments in universities and seminaries across the United States In Wisdom and the Renewal of Catholic Theology Thomas P Harmon and Roger W Nutt have brought together some of this first generation of Ave Maria graduates to produce a collection of essays to honor their teacher and the architect of their theological education

Jonathan Edwards on the Good Life Owen Strachan, Douglas Sweeney, 2010-01-21 What is the good life that we so often hear talk of in our modern age Is it cars that drive fast houses that resemble castles Is it unbounded sexual pleasure unrestrained personal gratification of all one s desires Is it quiet and solitude individual removal from the storm and thunder of modern society Or is it obedient Christian faith that causes spiritual corpses to burst forth with godly passion and holy worship that transforms one s own life one s environment and one s eternal destiny This other way of life proceeds from an ancient book that lifts life in this age and all mothers to another plane This is the truly good life the path plotted for the steps of mankind by almighty God It involves sacrifice and hardship and hard work It means self denial self abasement and an others centered mindset It is radically God centered and deeply rooted in Scripture This and no other path offers the souls of humanity lasting happiness For Jonathan Edwards submission to God and His will was the path to true fulfillment and the good life Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings

Jonathan Edwards on Heaven and Hell Owen Strachan, Douglas Sweeney, 2010-01-21 The question of the afterlife is for many today one of preference Christians trained to evangelize unsaved people with the query If you were to die today do you know where you would go heaven or hell have grown befuddled when met with the response I don t believe in heaven or hell Something in our culture has changed The ground has shifted beneath our feet We did not feel it But change has come just the same We must reacquaint modern Christians with the eschatologically driven preaching and teaching of Edwards This word eschatological may trip some readers up at first encounter but it refers simply to last things things of eternity and ultimate significance We exhume Edwards scripturally fired material on the reality of the afterlife the terror of hell the glories of heaven and the shape life must take in light of

these realities If we accept the Word as our authority and if we will allow Edwards to serve as our faithful and imaginative guide we will find that God is alive He is Lord of heaven and earth the sovereign ruler of all Creation He is not small He can be found He is not silent on the afterlife and His testimony calls for our attention our concern and our whole hearted worship and trust Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings **Jonathan Edwards Lover of God** Owen Strachan,Douglas Sweeney,2010-01-21 Jonathan Edwards stands tall in America s historical memory A great philosopher a great preacher a great theologian Edwards was a complex and gifted person one who defies easy characterization He intimidates us and we distance ourselves from him because at the most fundamental level he s just not like us It is of course true that Jonathan Edwards was a combination of many rare things an exceptional intellectual a masterly preacher a cavernous theologian a devoted husband and father a college president and much more But all of these roles flowed out of one simple and essential reality Jonathan Edwards was a Christian He was a believer who followed Jesus Christ in repentant faith He loved God and he sought to live for Him This book celebrates the unique life and ministry of Jonathan Edwards It peels back the cover of his life to show us what a life devoted to our sovereign Lord can look like It causes us to use our own God given gifts for the salvation of sinners the strengthening of God s church and the glory of God You do not need to be a scholar to enjoy and benefit from the story and rich lessons about Edwards life *Jonathan Edwards on Beauty* Owen Strachan,Douglas Sweeney,2010-01-21 Beauty is hard to describe but easy to identify It resides in expected and unexpected places in our world Beauty is present in our world in a variety of forms Yet while the average person might think about the reality of beauty from time to time few people would think about the source of beauty Where does beauty come from Why is it here Several hundred years ago Jonathan Edwards did some thinking of his own on this difficult subject This volume explores his meditation on the subject and lays out a Christian framework for understanding and experiencing the beauty God has planted in His world Edwards found in the study of beauty the person of God Where Edwards saw beautiful images and acts he saw a representation a small picture of a reality too great to comprehend a God too majestic to adequately adore He sets in motion a path of glory that begins with the Lord moves to creation continues to the incarnation of Christ moves to the church and ascends to the glory of heaven where the Holy Trinity dwells Easily accessible and readable you do not need to be a scholar to enjoy these insights about Jonathan Edwards and his writings **God's Love Compels Us** D. A. Carson,Kathleen Nielson,2015-04-16 With contributions from popular Bible teachers including David Platt John Piper D A Carson Andy Davis Mack Stiles Michael Oh and Stephen Um this collection of biblical expositions explores how God s love for us is meant to drive Christians out into the world on mission for him Addressing hot topics that are actively discussed today such as whether or not people without Christ are really lost and the Christian s responsibility to fight for social justice this book sketches the biblical basis for missions based on the apostle Paul s words in 2 Corinthians equipping Christian men and women to think carefully about their own role in taking the good

Baglow,McGrath Institute for Church Life,2021-11-05 Was creation a fantastic series of actions by God that long ago set the universe in motion Or is creation an eternal flowing forth from God that even now causes all things to exist Christopher Baglow director of the Science and Religion Initiative at the University of Notre Dame writes from within the deep well of Catholic tradition and his personal love of both science and faith to provide probing yet lively and often humorous answers to the foundational questions of human existence Christian doctrine sees creation not as a one time event but rather as an eternal outpouring of divine merciful love In Creation A Catholic's Guide to God and the Universe Baglow explores how the doctrine of creation addresses the why of the universe making it perfectly open to science which helps us to answer how the universe came to be and continues to exist He weaves the lessons of scripture the Church's long tradition of scientific inquiry and theological development and cultural icons such as Douglas Adams's The Hitchhiker's Guide to the Galaxy and the inhabitants of C S Lewis's Narnia series to create a concise and spirited guide for Catholics wanting to better understand the doctrine of creation without abandoning what science teaches us Baglow helps to neutralize the unnecessary conflict between faith and science that often runs rampant among people of faith He provides an excellent guide for curious Catholics and an expert resource for teachers in Catholic schools parish leaders campus ministers and RCIA teams helping those exploring foundational questions of faith dive into the meaning of creation and what it tells us about who God is who we are and how we are to live **The Secret of Guidance** F.B.
