1. SAFETY PRECAUTIONS

If the chainsaw is started up in the course of repairs or maintenance work, observe all local and country-specific safety regulations as well as the safety precautions and warnings in the owner's manual.

Gasoline is an extremely flammable fuel and can be explosive in certain conditions.

Improper handling may result in burns or other serious injuries.

Warning! Do not smoke or bring any fire or flame near the fuel. All work with fuel must be performed outdoors only. Spilled fuel must be wiped away immediately.

Wash hands thoroughly after every contact with waste oil.

Do not pour waste oil down the drain or allow it to soak into the ground.

Collect waste oil and take it to an official disposal site for environment-friendly disposal.
