Slim Jim Simply The Best:

Slim Jim Isobel Murray, Tom Miller, 2014-09-04 Jim Baxter the legendary Slim Jim was arguably Scotland's greatest ever footballer a left footed genius who became a Rangers icon and helped Scotland humiliate world champions England at Wembley in 1967 with some famous keepie uppie along the way And although much has been written about Slim Jim over the years the real story behind his life is now revealed for the first time When Jim Baxter joined Rangers in 1960 for a record fee of 17 500 he quickly proved his worth helping the team to ten trophies over the next five years It was the start of a glittering career and a hard drinking hard living lifestyle in the big city where he fully enjoyed the fruits of his success But behind the glamour on and off the park Jim Baxter hid a secret that would torment him for most of his life a secret he only discovered the full truth about when he was fifty years old What is beyond doubt is that Slim Jim Baxter will forever be revered for his unbelievable footballing talent He will also be remembered for his ability to live life to the full and beyond But had he uncovered the truth earlier about the family secret that left him shattered the life of this footballing genius might have been very different both on and off the pitch **Slim Jim** Tom Miller (Broadcaster on Scottish football), 2014 *Gallus* Michael

McEwan, 2023-09-07 There are two kinds of people in this world Those who insist that football is just a game and those who know better Take the April 1967 clash between England and Scotland Wounded by their biggest rivals winning the World Cup just nine months earlier Bobby Brown's Scots travelled to Wembley on the mother of all missions Win and they would take a huge step towards qualifying for the 1968 European Championship end England's formidable 19 game unbeaten streak and best of all put Sir Alf Ramsey's men firmly back in their box Lose Well that was just unthinkable Meanwhile off the pitch the winds of change were billowing through Scotland Nationalism long confined to the margins of British politics was starting to penetrate the mainstream gaining both traction and influence Was England's World Cup victory a defining moment in the Scottish independence movement Or did it consign Scotland to successive generations of myopic underachievement Michael McEwan author of *The Ghosts of Cathkin Park* returns to 1967 to explore a crucial ninety minutes in the rebirth of a nation [Touching the Heights](#) Archie Macpherson, 2022-10-26 They all excited and inspired me by how they fought their corners So I want to place them all round a fantasy dinner table not just to dine but to relive how I saw them in action and how much they had in common Who would be on your dream dinner party guest list Over his 50 years in broadcasting Archie Macpherson has seen many sports personalities come and go in *Touching the Heights* he collects the 13 who have inspired him most around his fantasy dinner table Some are well known others less so but all shaped both their sport and those like Macpherson who watched their careers unfold Tommy Docherty Jackie Paterson Jim Baxter Eric Brown Jimmy Johnstone Sandra Whittaker Dr Richard Budgett Ally MacLeod Jock Stein Sir Alex Ferguson Bill McLaren Jim MacLean Graeme Souness From football to golf boxing to athletics *Touching the Heights* celebrates the breadth of Scottish sporting achievement Whether telling the tale of a boy who acquired new shoes by stealing them from the local baths or that

of a distinguished medical scientist at the centre of sporting transgender debates one thing unites them all Without them life would have been much poorer

Slim Jim Baxter: The Definitive Biography Ken Gallacher, 2011-06-01 Jim Baxter was one of the greatest footballers Scotland has ever produced But his career was over by the time he reached 30 and in 2001 he died at the early age of 61 the victim of a lifestyle that ultimately destroyed him Slim Jim Baxter charts the great man's rollercoaster years his emergence at Ibrox as a world class midfield player and the rapid decline as he pressed the self destruct button and blew away his life as a footballer Team mates and friends tell how Baxter lived by his own rules and how he finally faced up to death with a courage and dignity which impressed all who saw him in his last few tragic months Above all Ken Gallacher's biography is the story of an extraordinary footballer who was touched by genius and of a young man from the Fife coal fields who could not always cope with the fame his skills brought him

Tangled Up in Blue Stephen O'Donnell,2019-08-19 If the wider football conscious world is aware of just two things about Scottish football they are surely as follows firstly that there is a virulent rivalry in Glasgow between the city s two great teams Rangers and Celtic based on a religious divide and secondly that Rangers recently suffered a catastrophic financial collapse which ultimately led to the club s insolvency Split into two separate but closely linked sections Tangled Up in Blue The Rise and Fall of Rangers FC gives the full account of both of these stories Stephen O Donnell explores how Rangers first became associated with hard line Protestantism dominating Scottish football for decades without ever knowingly signing a Catholic footballer until the feted arrival of Maurice Johnston at Ibrox in 1989 He then switches focus to the club s financial affairs as Rangers unsustainable spending brought the club to the brink of collapse and despite the hidden benefits of an illegal tax avoidance scheme resulted in its liquidation

Hackworth,Julie Sherman,1993 Odyssey of an Infantryman Condensed from Colonel David H Hackworth s blockbusterNew York Timesbestseller About Face Brave Menis an explosive battlefield chronicle from one of America s most decorated soldiers Vividly recalling his experiences as an infantry leader Hackworth takes you to the steep razor backed hills and bone chilling cold of Korea to the steamy guerrilla infested jungles of Vietnam to the real wars fought in the chaos of close combat Here is Hackworth himself jumping onto tanks to fire 50 caliber guns charging through the smoke of frag grenades to land in front of the enemy taking prisoners at bayonet point with an empty rifle revealing the brutal emotions of battle and witnessing heroism of the highest order Here is the hard fought hard won legacy of one man who in 25 years amassed more than 110 medals Brave Menstands as one of the most extraordinary military memoirs of our time **Rangers In London 1960-1971** Jerry 'J' Silverman, Rangers In London is the story of the nine matches between 1960 and 1971 when Britain and the World s most domestically successful football club with the greatest and most fervent support travelled south from Glasgow to the Capital city Almost every game seems to have thrown up something amazing or special From the first European Cup tie played in London to a match described by the legendary and equally reticent Spurs manager Bill Nicholson as the greatest game on earth Alex Ferguson s Rangers debut at Arsenal QPR s Rodney Marsh assaulting two players on the

pitch and a teenager whisked from work in Glasgow in the morning to play in goal against a team of internationals and a world cup winner in the evening at Tottenham And we best not forget Rangers appearances at Chelsea for the man they called Chopper either and at Highbury for a gentleman who at his peak was quite possibly the best goalkeeper in Europe And much more Unashamedly nostalgic and so many great stories histories and characters to recall celebrate and write about In a more modest way we try to chart the development of football at Ibrox and in London on and off the field at a time when football was beginning to become more sophisticated commercial and international There s a bit of sociology too as we look at the emergence of football hooliganism skinheadism and wider societal cultures in and around football at that time Does what go around come around with a slightly different twist I ll let the reader decide But I hope you ll enjoy taking in these matches with me and get the same pleasure as the devoted thousands and perhaps you were one who followed on to London with Rangers Win lose or draw
