Irrepressible Leslie Brody, 2011-09-20 From the author of *Red Star Sister* An excellent biography Brody has made the world a better place by telling Mitford s saga so skillfully *San Francisco Chronicle* Admirers and detractors use the same words to describe Jessica Mitford subversive mischief maker muckraker J K Rowling calls her her most influential writer Those who knew her best simply called her Decca

Born into one of Britain's most famous aristocratic families she eloped with Winston Churchill's nephew as a teenager. Their marriage severed ties with her privilege, a rupture exacerbated by the life she led for seventy-eight years. After arriving in the United States in 1939, Decca became one of the New Deal's most notorious bureaucrats. For her, the personal was political, especially as a civil rights activist and journalist. She coined the term "frenemies" and as a member of the American Communist Party she made several though not among the Cold War witch hunters. When she left the Communist Party in 1958 after fifteen years, she promised to be subversive whenever the opportunity arose. True to her word, late in life she hit her stride as a writer, publishing nine books before her death in 1996. Yoked to every important event for nearly all of the twentieth century, Decca not only was defined by the history she witnessed but by bearing witness helped to define that history. Brisk, engaging. *Wall Street Journal*. A valuable retelling of a provocative life. *Kirkus Reviews*. [Project Censored's State of the Free Press 2024](#) Andy Lee Roth, Mickey Huff, 2023-12-05. Includes a Foreword by Alan MacLeod, independent investigative journalist and editor of *Propaganda in the Information Age*. *State of the Free Press 2024* shows how independent journalism can promote civic engagement and reconnect people who have otherwise lost interest in sensational news that distracts and polarizes us. Balancing critical analysis with optimistic vision, the book's diverse contributors champion press freedom and critical media literacy to hold the powerful accountable and promote a more just and inclusive society. *State of the Free Press 2024* is a joint production of The Censored Press and Seven Stories Press.
