BOOK JACKET The Light of Darkness Nicole Moore,2025-08-07 An angel s warrior a druid s seer a fallen knight one chosen one called one lost Before the rise of prophecy and the war that followed there was only darkness The Light of Darkness is the emotional prequel to The Darkborn Prophecies set nearly two decades before Book Two Dive into the tragedy magic and forbidden love that shaped the world to come 1349 England The Black Plague is only the beginning The dead are rising but not as ghosts Demons walk among them hidden in the chaos of sickness and death led by a demon who spreads his unholy plague across the land As the veil between realms is opened darkness threatens to consume the world unless three souls bound by fate can stop it Trinity has lost everything Alone in plague ridden London she has nowhere left to turn until a Seraph appears before her gifting her a celestial sword and shield with a command to seek out the Druids the very people she was raised to fear Returning to York her childhood home she reunites with Michael the nobleman s son who was once her closest friend There life seems untouched safe until the shadows come for them and she is forced to choose between her love for Michael and the warrior she is meant to become Sybil is more than a seer she is a warrior a descendant of the goddess Cailleach and trained to fight against the forces of darkness But when the veil between realms opens she is given a vision of a girl with angelic wings and a celestial weapon a girl she must find before it s too late But trusting a Catholic girl who sees her magic as heresy may be an even greater challenge than facing the demons themselves Michael is destined for knighthood But grief drives him far from home searching for an escape from the pain that haunts him On the battlefield he is offered a choice one that will either save him or cost him everything When he returns to York he is not the man he once was but what has he become And when the final battle comes will he stand beside Trinity or against her As war looms and the darkness spreads faith and magic must unite Will the light of darkness prevail or will the world fall to shadow When demons rise only the light can stand against them The Travelogues in Asia Minor VII Yavuz Çekirge ,2025-03-06 Parrhesia in the ancient Hellenic language means to speak and say the truth and what is true It means saying what you know to be true what is true despite all kinds of risks but with courage The person who uses parrhesia embodies risk and courage at the expense of making those in power uneasy If the one in power is blinded by the fawning ones he wants to punish the truth teller in the most severe way with the power in his hands as soon as he hears the truth It is not parrhesia to tell a truth that everyone

knows and that will not disturb anyone **The New Pantheon. The Pantheon: or, Fabulous history of the heathen gods, goddesses, heroes, &c., ...
